Year of Report: 2010 – 2011

Part A: The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.

The chief objective of the College is to provide quality higher education to the youth of the locality around Tiruchendur thereby contributing to the cause of higher education in general and in particular the educational needs of the locality.

The following courses are offered in the College.

I. U.G. Courses

- B.A. - Economics and English
- B.Sc. - Mathematics, Physics, Chemistry, Zoology and Computer Science
- B.Com. - Commerce
- B.Com., (C.A) - Commerce with Computer Application
- B.B.A. - Business Administration.

II. P.G. Courses

- M.A. - Economics and English
- M.Sc. - Mathematics and Chemistry

III. Research level

- M.Phil. - Economics, English, Mathematics and Chemistry
- Ph.D. - Economics, Mathematics and Chemistry

IV. Certificate Courses

Certificate course in Gandhian Thought

Certificate course in Salesmanship

V. Diploma Courses

- Diploma in Gandhian Thought.
 - P.G. Diploma in Computer Application (PGDCA)
- [Distance Education Mode (week-end classes)]

VI. Add on Courses

Certificate course in Soil Science and Agriculture Chemistry

Certificate course in Sericulture (for I year B. Sc. Zoology)

Certificate Course in Medicinal Botany

- (Optional for I Year Degree Students)

Diploma in Soil Science and Agricultural Chemistry

VII. UGC - Post Graduate Computer Education Programme

Management Funds

The college management has been giving funds for the development of the college library and other academic activities. The funds are allotted on the basis of the budget given by the various Departments and suggestions given by the staff council. The budget is presented to the Management along with explanatory notes for each item on expenditure. The Management considers the budget proposal for financial grants. Part B:

1. Activities reflecting the goals and objectives of the institution

The vision of the college is to bring about **“social changes through economic progress and economic progress through educating the youth of the rural area”**. The mission of the college is **“to provide quality higher education aimed at enhancing the required knowledge and skills and instilling the desired values in the minds of students enabling them to be enterprising and becoming worthy citizens of the country”**.

The College arranges the bridge course and remedial classes for the weak students who have come from the schools in the backward and rural areas. English coaching classes are conducted to the weak students by the English teachers. Remedial courses are conducted for the weaker sections of the students both with the help of UGC and management funds. Under UGC XI Plan Merged Scheme, Remedial Coaching Classes for SC/ST/OBC (Noncreamy layer) and minority students were conducted during this academic year. Mr.G.R.Jawager, Associate Professor and Head, Department of English is incharge of the programme. Classes were conducted regularly in the evening hours. The Management gives scholarships to the meritorious students who are very poor. The Alumni Association of the College also helps the poor students by providing financial assistance in the form of loans.

All the PG students are given computer training under the UGC – Post Graduate Computer Education Programme. Flexible syllabi are framed. For example, P.G. students of English are offered computer courses to sustain global competence. P.G. students of Economics are offered computer courses incorporating computer software packages such as SPSS, which helps to apply statistical tools in their research work. The course content for M.A. English, M.A. Economics and M.Sc. Chemistry differ on the basis of their entry level competencies. At the completion of course they are given a transcript in which the courses they underwent are mentioned.

IT related subjects are incorporated in M.Sc. Mathematics. Compulsory subject on “Computer Application” is included for P.G. Economics students.

Career Guidance and Counselling Cell is functioning in our college. Dr.C.Ramesh, Associate Professor of Economics is the Director. The cell arranges several campus interview programmes and helps the students to get a job.

Experts from reputed institutions are invited to participate in the seminar/workshop held in various Departments. Guest lectures are also arranged.

A language laboratory is functioning with all the facilities and short term courses are conducted by the Department of English

Department of Tamil organizes conferences, collects materials and publishes them through “Tamil Aaivu Mantram” every year. The college management gives fund liberally for these activities.

There is a better co-ordination among the entire Sister Institutions and the resources are utilized. Primarily, the library, spectrophotometer and the crystal growth centre are very much used.

2. New academic programmes initiated (UG and PG)

Steps are taken to start M.Sc., (Zoology) from the academic year 2011-2012.

3. Innovation in curricular design and transaction

The CBCS system was followed on the basis of the direction of the Government of Tamilnadu) (GOT). The system aims at uniform curriculum for the state for UG and PG courses. The system is expected to facilitate mobility of learners from college to college and mobility between distance and regular modes of education.

Due to the Choice Based Credit System, the students are evaluated on the basis of internal assessment and external examination. The internal assessment consists of internal test (20 marks) and assignment (5 marks). The external examination is conducted by the University (75 marks). The marks are converted into Credits. Credits are awarded for individual subjects and a student is expected to score a minimum Grade Point Average (GPA) for a pass and the number of Credits is decided on the basis of hours allotted to a Course / Project offered.

For the quality enhancement of the students, curriculum is designed in such way that the basic knowledge has been provided in the first year and advanced subjects are taught in the subsequent years. This facilitates the students to assimilate knowledge and skill simultaneously.

Objectives of CBCS System

Choice Based Credit System was introduced with the following objectives:

- To enable the students to move from one college to another and continue their education.
- To facilitate mobility of learners through distance mode to regular institutions and vice versa.
- To expose the students to practical problems through projects
- To pursue higher education by the students in the subject of their own interest.

Features of CBCS System

This system has the following features

- Students are given option to choose allied subjects related to the core subjects and also non-major elective subjects.
- Skill based subjects are introduced.
- Tamil or any other language and English subjects are compulsory.
- Evaluation is made on the basis of internal assessment and external examinations.

-
- Internal marks – 25 (20 marks for test and 5 marks for assignment)
 - External examination for 75 marks is conducted by the University.
 - The marks are converted into Credits. Credits are awarded for individual subjects and a student is expected to score a minimum Grade Point Average (GPA) for a pass and the number of credits are decided on the basis of hours allotted to a Course / Project offered.
 - During (2008 -2010) the first batch of P.G. Students completed their course under the CBCS & during (2008 -2011) the first batch of U.G. Students completed their course under CBCS.

Teaching – Learning and Evaluation

Admission Process and Student Profile

Admissions are made as per the guidelines of the Government of TamilNadu. The college adopts Open Counselling System for admitting new entrants. Through counselling system, total transparency is ensured. During this academic year, 198 women candidates are enrolled in UG, PG and M.Phil. Courses.

Teaching - Learning Process

Faculty members keep pace with recent developments by participating in Seminars, Symposia, Conference, attending Orientation / Refresher Courses and Organizing Seminars / Workshops and arranging Guest lectures.

4. Inter-disciplinary programmes started

The option is given to the UG students of all Departments to choose the allied subjects from other Departments. For example B.A. (Economics) students choose the subjects “Health and Hygiene and Mushroom Culture” as an allied subject from Zoology Department. Thus the science students are also given the opportunity to choose their allied subjects from the related Arts / Science Departments. P.G. students do not have the chance to study inter disciplinary subjects. However they are given the chance to learn the application of computer relevant to their subjects.

Certificate Courses are conducted for I year U.G. Students. The students who have passed the Certificate Courses can join the Diploma Course “Soil Science and Agricultural Chemistry” conducted by the Chemistry Department and “Medicinal Plants and Sericulture” conducted by the Zoology Department.

5. Examination reforms implemented

The university changes the question pattern whenever the need arises. Now we have the following question pattern:

For U.G.

Part-A	10 Questions X 1	=	10 Marks
Part-B	5 Questions X 5 (Internal choice)	=	25 Marks
Part-C	5 Questions X 8 (Internal choice)	=	40 Marks
Total			----- 75 Marks -----

Duration of time – 3 Hours

For P.G.

Part-A	10 Questions X 1	=	10 Marks
Part-B	5 Questions X 5 (Internal choice)	=	25 Marks
Part-C	5 Questions X 8 (Internal choice)	=	40 Marks
Total			----- 75 Marks -----

Duration of time – 3 Hours

For UG courses, part A questions are objective type questions. So all the Departments prepare question banks for all subjects and give practice to answer the objective type questions.

Dr.A.Soundrarajan, Associate Professor of Commerce is the co-ordinator to conduct the Internal Assessment Test. Three Internal Assessment Tests will be conducted for one subject per semester. Time table of the tests are planned well in advance and conducted in a systematic manner.

6. Candidates qualified in NET/SLET/GATE etc.

- Nil –

7. Initiative towards Faculty Development Programme

The teachers are given the opportunity to do Ph.D. through Faculty Development Programme (FDP). Teachers are given encouragement and motivation to do research in their respective disciplines.

Before the selection of the teachers for FDP, the subject experts both from inside and outside of the College are invited and the selection is done objectively. The teachers eligible for getting FDP grant are advised to apply for FDP in future.

This year the following teachers are doing Ph.D. under FDP:

1. Mr.A.R.P.T.Muthukumar, Assistant Professor of Economics
2. Mr.S.Anbarasan, Assistant Professor of Chemistry
3. Mr.S.Pasunkilipandian, Assistant Professor of Mathematics
4. Mr.C.Velayutham, Assistant Professor of Computer Science
5. Mr.C.Sundaravadivel, Assistant Professor of Zoology

Refresher Course/Orientation Programme attended by Teachers.

- Miss.K.Ramajeyalakshmi, Assistant Professor of English attended Refresher Course in Cultural Studies conducted by the Academic Staff College, University of Kerla from 05.06.2010 to 26.06.2010.
- Dr.D.Vasumathi, Assistant Professor of Zoology attended Refresher Course in Zoology conducted by the Academic Staff College, Madurai Kamaraj University, Madurai from 18.11.2010 to 08.12.2010.
- Mr.C.P.Balakrishnan, Assistant Professor of Botany attended Refresher Course in Zoology conducted by the Academic Staff College, Madurai Kamaraj University, Madurai from 18.11.2010 to 08.12.2010.
- Mrs.P.Arockia Mary Fernandez, Assistant Professor of Zoology attended Refresher Course in Zoology conducted by Academic Staff College, Madurai Kamaraj University, Madurai from 18.11.2010 to 08.12.2010.
- Mr.M.Ganesan, Assistant Professor of Economics attended Orientation Course in Economics conducted by the Academic Staff College, Pondicherry University from 02.12.2010 to 29.12.2010.
- Mr.I.Sehar, Assistant Professor of Physics attended Orientation Course in Physics conducted by the Academic Staff College, Pondicherry University from 02.12.2010 to 29.12.2010.
- Dr.R.Ezily, Assistant Professor of Tamil attended Refresher Course in Tamil conducted by the Academic Staff College, Pondicherry University from 16.02.2011 to 08.03.2011.
- Dr.K.Kathireson, Assistant Professor of Tamil attended Refresher Course in Tamil conducted by the Academic Staff College, Madurai Kamaraj University, Madurai from 23.02.2011 to 15.03.2011.
- Dr.M.Kannan, Head of the Department of Tamil attended Orientation Course on “National Service Scheme” conducted by Avinashilingam Deemed University for Women, Coimbatore from 20.09.2010 to 29.09.2010.

8. Total number of seminars/workshops conducted

Guest Lectures, Seminars and Workshops are arranged for the students to impart knowledge on specific areas. The Management has sanctioned Rs.40,000/-(Rupees Forty Thousand Only) for the year 2010-2011 for arranging guest lectures and the management has given Rs. 4,00,000/- (Rupees Four Lakhs only) for conducting seminars / workshops to all the Departments including IQAC. Hence the college has been inviting eminent resource persons for delivering lectures and interacting with teachers.

University, Bharathiyar University, Kerala University, Alagappa University, Indian Academy of Sciences, Bangalore, Indian National Science Academy, New Delhi and National Academy of Sciences, Allahabad acted as resource persons for the seminars. The students, faculty and research scholars of the college and neighboring colleges got benefited.

1. Three day training programme was conducted by the Department of Zoology on 19th to 21st August 2010. The programme was sponsored by Tamil Nadu State Council for Science and Technology. Mr.M.Ponmalar and Mrs. Caroline, Assistant Director of Horticulture were the resource person.

Topic: “Vermi Composting”

2. A University Level Workshop was organised by the Department of Physics on 17.09.2010.

Topic: “Electrical Motor Winding and Maintenances”

3. Department of Computer Science conducted a workshop on 29.09.2010.

Topic: “Project Development Using . NET”

4. A one day seminar was conducted by Career and Counseling Cell of our college. Thiru.R.Esakkimuthu, Manger and Mr.I.Vivekananthan, Deputy Manager, TAC Ltd were the resource person on 03.10.2010.

Topic: “College to Career”

5. Department of Zoology organized a National Seminar on 15.10.2010. Students and research scholars from various colleges presented research papers.

Topic: “Recent Trends in Bio-Resources Conservation and Management”

-
6. The Department of Mathematics conducted a three day Seminar on 21-23.01.2011.

Topic: Seminar on Understanding the Concepts in Mathematical Science”

7. Department of Business Administration organized a seminar on 28th January, 2011.

Topic: “Development of Interpersonal Skills”

8. A State Level Seminar was conducted by the Department of Commerce on 29.01.2011.

Topic: “Higher Education in Commerce – Prospects and Challenges”

Blood Donation

“Saving a life” is a divine service. The goal of the club is to induce humanity and life saving service in the minds of our younger generation.

The club has a teacher as convener, two teaching faculty and all the blood donors as members. Every year this club conducts blood identification camp for the first year students. The blood donors club of the college is operating on “emergency response” basis. Whenever the medical practioners face crisis like treating patients who have met with an accident, quick loss of blood, premature delivery, they send the patient’s relatives directly to the college and the blood donors club takes necessary steps immediately. Once the surgeons call the Principal over phone, the Principal arranges for immediate donors. The blood donors are awarded certificates and memento by our Principal in recognition of their service.

The College Blood Donors Club conducted Blood Identification camp and all I year UG/PG students have their blood identified. During the year 2010-2011, 92 students

of the college donated blood at various places to the needy people. The following students have donated blood and saved the lives of the people.

Personnel

Division IV at the college is commanded by LT.cdr D.S. Mahendran since October 1992. Cadet strength is 50.

Training

The training helps the cadets to be in perfect physical and mental condition. The cadets receive the training like Drill, Weapon training, Communication, Boat work, Rigging, Chart work at the college itself. Intensive training like Boat pulling, Sailing, Firing and the other activities are given in camps.

Community Radio Station

Sivanthi Community Radio station was formally inaugurated by Padmashri.Dr.B. Sivanthi Aditanar on 14th October 2007. The station is regularly broadcasting on 90.4 MHZ over a radius of 10 – 15 km radios, covering 25 villages surrounding the college campus. The radio station has its own broadcast and recording studio, transmission tower and equipments for outdoor recording.

Community members and around 20 students from various colleges are involved in programme production, presentation and manage the radio station effectively.

Apart from them, members from self-help groups and community representatives are also involved in the programme production. Sivanthi Community Radio broadcasts its programme in the morning, 6-9 a.m., and in the evening 5-8 pm.

The fixed point chart is attached with this. Apart from the regular broadcast, Sivanthi Community Radio conducts many awareness camps and rally programmes to serve the community.

On 3rd August 2010, Hello FM, Tirunelveli conducted Kallurichallai-2010 (fy;Y}hpr; rhiy) programme at Aditanar College of Arts and Science. Sivanthi Community Radio coordinated Aditanar College of Arts and Science students for the best conduct of the programme. The aim of the programme was to bring about a good relationship among Ist, IInd and IIIrd year students.

On 15th August 2010, Sivanthi Community Radio combined with NSS unit 43, 44 and 48 of Aditanar College of Arts and Science organised the Independence Day Rally to insist on the need for a healthy environment to the village people.

On 14th October 2010, 4th year celebrations were conducted in a successful way. In the function, prizes were distributed to the winners of different contests.

On 16.09.2010, the function called “Thiramai Thiruvela” (jpwiki; jpUtpoh) was conducted in a grand manner. The programme was conducted on the day of our Chairman’s Birthday. Many contests were conducted. Students from various colleges of our management (six colleges) participated in the contests. All the events were recorded and broadcasted in Sivanthi Community Radio.

On 21st March 2011, Sivanthi Community Radio in collaboration with Youth Red Cross and went to St.Lukes' Leprosy Home at Peikulam, near Satankulam and helped to satisfy the basic needs of the Leprosy patients.

Department of Science and Technology sanctioned Rs.7,80,000/- for the production of 180 episodes during the year 2010. It produced the episodes successfully in a professional way. So, DST has extended its programme production to 360 episodes for one more year.

Total number of non-teaching staff = 44

Teaching, Non-teaching staff ratio = $88/44 = 2$

21. Improvements in the library services

The Central library has been automated. The stock, issue and return of the books are done with the help of library software.

Additional funds are given to strengthen the library every year by the college management. Latest books with bar coded facility in all subjects are added.

The library is kept open for longer hours than before.

8.30 a.m. to 6.30 p.m. on all working days

10.00 a.m. to 1.00 p.m. on Saturdays.

9.30 a.m to 5.30 p.m on examination days and during summer vacation

The library is kept closed on Sundays and other notified holidays.

Internet facilities are available in all the Departments and the UGC – Net Work Resource Centre is functioning in the central Library.

The library is open to all the members of the College

Every student is supplied with three borrower's tickets for taking books from the Library. Only one book can be borrowed against one ticket. While borrowing a book the student should hand over the ticket to the librarian and should get the ticket back when returning the book. Books will be issued on presentation of the identity card. Students should take care of the tickets issued to them. The librarian gives orientation to all the first year Degree students every year on how to use the Card Catalogue, Encyclopedias, and Dictionaries, etc. A suggestion box is maintained since 1976. News paper clippings / cuttings on Higher education, Foreign Scholarships, Appointments, etc. are put up in Library Notice Board for student's reference. Also we maintain Newspaper Clippings File in the Library for ready reference. We display the book jackets that are recently purchased and included in the Library collection to motivate the students to see the new arrivals. For efficient administration of the Library affairs, a Library Committee with some senior staff members and student representatives is formed. It meets once in a semester and puts forward solid suggestions for efficient performance. Student' volunteers are employed on Part-time basis to assist the Librarian in the ever increasing activities of the Library.

Open Access system is followed in the College library for all students.

Students shall show their library borrower's tickets and identity card to the Library Authorities, before entering the Stack Room.

Students may enter the Stack Room on the following days and timings given below:

Monday, Wednesday and Friday - 1.00 p.m. to 1.45 p.m. and
3.00 p.m. to 4.45 p.m.

Students may return the books on the following days given below:

Tuesday, Thursday and Saturday - Any working day

Departments of English, B.B.A., Commerce, Mathematics, Physics, Economics, Computer science, Chemistry and Zoology have Department libraries. The B.B.A., Economics and English Department libraries are maintained in separate rooms. Open access system is followed in the Department library also. Teachers have open access to visit other Department libraries. Advisors encourage the students to visit the Department and general library regularly.

Number of books and journals available in each Department is given below

Department	Books

1. *Infrastructure in the Library*

The College library is equipped with adequate furniture and space for reading purposes. In addition to this, the following equipments are available in the library.

- 1) Computer – Two Numbers
- 2) One KVA Uninterrupted power supply system with DC power pack with four Exide lite Batteries.
- 3) Internet
- 4) Television
- 5) Three VCD Players
- 6) One Stabilizer

2. *The Cataloguing system*

We have the Card Catalogue in the library. Subject, Index, Author Index entries are made in the Catalogue for the benefit of readers. The College is also maintaining Shelf List Cards for technical purposes.

3. *Department Collection*

Departmental collection of the prescribed text books and some standard text books are available in each of the Mathematics, Physics, Zoology, Computer Science, Economics, Commerce, English and Business Administration Departments. The aim of this is to see that each and every student has in his possession at least the necessary text books for his study. Students are allowed to take three books on loan for fairly long periods. The Heads of the respective Departments maintain a record of this loan.

4. *Library Automation*

It is proposed to have full automation in the Library. Two computers are used for the routine activities of the library. As a part of automation work, data relating to the list of books available in the Department Libraries are entered in the Computer and that data has been added in the Library Catalogue.

5. *Issue of Books*

a) Number of Books issued to the students during the year (2010-2011)	3308
b) Number of Books to the members of staff during the year (2010-2011)	1098

6. *Issue of Journals*

a) Number of Journals issued to the members of staff (2010-2011)	942

23. Courses in which student assessment of teachers is introduced and the action taken on Student's feedback

The student Advisory System is going on very successfully in the College. One staff member will be the student advisor for a class for three years continuously for all U.G. classes. Invariably he takes classes for all the three years to the same batch of students. At the end of III year the class advisor and the Head of the Department conduct students' assessment to inform about the teachers and the Departmental activities such as library facilities, remedial courses and other facilities available in the College.

During the Farewell function at the end of the VI Semester, the students are given sufficient opportunities to express their views and opinions freely about the College, Department, teaching, learning and other related matters. The Principal makes it a

practice to participate in all the Farewell functions and on the basis of students feedback necessary action is taken. The questionnaire is based on the NAAC suggestions with specific modification.

24. Unit cost of education

The unit cost of education is computed as the ratio of total amount of expenses spent by the College to the total number of students. The total amount of expenses including salary to teaching and non-teaching staff, all the types of grants including Management grant and scholarships to the students, etc. is given below:

$$\begin{aligned}\text{Hence the ratio} &= \frac{\text{Total amount of expenses}}{\text{Total Number of students}} \\ &= \frac{\text{Rs. 5,44,45,722}}{1369} \\ &= \text{Rs. 39,770.43/-} = \text{Rs. 39,770/-}.\end{aligned}$$

The ratio is calculated as Rs. 39,770/-. This implies that for every student Rs.39,770/- (Rs. Thirty Nine Thousand Seven Hundred and Seventy only) was spent for his education.

25. Computerization of administration and the process of admissions and examination results, issue of certificates

The College office is partially computerized and administration work is carried out effectively and easily. The students' admission process is fully computerized. Using computers the selection of students for admission is made on the basis of the admission policy of the government. The examination results are fed into the computers and the analysis of results and other details are stored in the computers. The Conduct Certificate and Transfer Certificate are issued manually. Printed Transcript Certificate is issued to the students from the academic year 2010-2011.

The committee consists of a president, two vice presidents, general secretaries, joint secretaries and one treasurer. Among the two vice presidents, general secretary and joint secretary, one is from the teaching faculty and the other is from the parents.

PTA spends money for the development of students. General body meeting is conducted twice in a year. A portion of the fund is used to help the poor students.

- Parent-Teachers' Association meeting was conducted on 28th June, 2010.
- Fund is used to send the students to attend various competitions in various colleges.
- Fund is used to celebrate Chairman's Birthday, Thiru. Kamaraj's Birthday and to celebrate Pongal Festival.

32. Health services

The Physical Education Department of the College is in-charge of the Health Services to the students. Every year a medical checkup is arranged for the first year students during the first semester. The College doctor with his team is doing this service. Students who have any health problems are identified and medical suggestions are given. Free medical services are also arranged for the poor and needy students.

Our college has a tie up with B.G. Hospital which is just opposite to our college. For any emergencies, we use the services of this Hospital.

A FIRST AID kit with necessary medicine is kept in the Physical Education Department and is used in emergency.

Every year in the beginning a Blood Identification Camp is arranged for the first year UG and PG students by the Blood Donors Club of the College. . The “Blood Donors’ Club” has been doing yeoman service to the community by donating blood on an ‘emergency response basis’.

This year 130 members of students donated blood up to May 2011. A physical fitness test is conducted for all the III year UG students at the end of VI semester and grading is given to the students on the performance of their skills in the tests.

The Class Advisors also play a vital role in providing health services to their wards. They also help the needy students by giving proper advice and suggestion to improve their health and to go for medical treatment.

36. Activities of the Guidance and Counselling Unit

Dr.C.Ramesh is the director of Guidance and Counselling Unit. He organized several meetings regarding guidance and counselling. For each class, a teacher is nominated as an 'Advisor' and he will act as 'mentor' to the students of that class. He/She is in-charge for three years of the U.G. programme. He/She maintains a cumulative record which carries all information about his academic and co-curricular performance of all the six semesters including his bio-data and family background.

Advisor counsels the weak students and guides them to meet the teachers concerned, to discuss about the subject matter. The class test question papers are discussed in the class, and the questions which are not answered by the students are explained. The advisors have personal and constant touch with students and offer guidance and

counselling to them, both in the academic and personal matters. He plays the role of parent, teacher and counselor. He meets the students and their parents periodically. The advisors also assist the students to overcome their personal problems, if any. Students are encouraged to meet the teachers to discuss their academic matters even after class hours. The details of the academic performances in the university examinations are sent to the parents with the remarks made by the advisors and head of the Departments.

The parents of the slow learners are called on and students are given counseling along with their parents. He continues their touch with the students even after the completion of their degrees, guiding for their higher education and/or for their career development.

Equal Opportunity Centre

As per the guidelines of the UGC XI Plan Merged Scheme, the Equal Opportunity Centre was established.

The centre consists of one Chairman, one Advisor and two staff as members.

The following activities were arranged by the Equal Opportunity Centre

Resolutions

- ❖ Resolved to co-ordinate with the other co-ordinators / directors to ensure the inclusion of the underprivileged in all programmes.
- ❖ Resolved to invite Bank and LIC Officials to speak about the financial assistance for the disadvantaged groups and about employment avenues available to them (for the undergraduate students only)
- ❖ Resolved that the students be given awareness on legal and human rights and that the Public Prosecutor of Thoothukudi be invited.
- ❖ Resolved that a one day course be organized to sensitize the P.G. students on the use of Internet for educational purposes.
- ❖ Resolved that a course on soft skills be conducted for the final year BC / MBC / SC students (both U.G. and P.G.)
- ❖ Resolved that a pamphlet be circulated on different schemes.

Report of the Awareness Programme on Legal Rights

As per the resolution adopted on 11.01.2011, a one day programme on Legal Rights was organized on 02.03.2011. Prior to the meeting, a pamphlet-stressing the need for a thorough understanding of legal rights was distributed to five hundred students. D.Jebaraj, Public Prosecutor, Thoothukudi was the Resource Person. The meeting was well attended and about 150 students participated in it. A discussion session was arranged after the technical session was over. Many students actively participated in it and a few students clarified their doubts on legal procedures. Both the undergraduate and postgraduate students gave their feedback about the programme.

On 14.08.2010 Prof.K.Alwar, Secretary, Anitha Kumaran Matriculation School, Thandapathu gave a special lecture on “Reservation for Social Justice”.

On 18.08.2010 a special meeting was organized for U.G. and P.G. women students. Dr.H.Anarkali, Associate Professor of Tamil, A.P.C.Mahalakshmi College for Women, Thoothukudi gave a special lecture on “Women’s Rights: A Feminist Perspective”.

On 06.10.2010 a special programme on “Personality Development” was conducted for the benefit of the final year U.G. students. Dr.M.Kamsa Mohideen, Administer, Wavoo Wajeeha Women’s College, Kayalpatnam gave special lecture on “Self Confidence”.

A two day short term course on “Positive Discrimination” for the new entrants was organized on 09.10.2010 and 10.10.2010. ENABLING UNIT OF THE HIGHER EDUCATION FOR PERSONS WITH SPECIAL NEEDS (HEPSN) SCHEME

On 7.3.2011, a UGC Seminar on “Issues of Differently Abled Persons” was organized by the Enabling Unit of the Higher Education for Persons with Special Needs (HEPSN) Scheme in Aditanar College. The Seminar was specifically organized to motivate the differently abled students of Aditanar College and also to create awareness among the other students to understand the problems of the differently abled and to make them to change their flawed perspectives on the differently abled students. As many of the students had volunteered to attend the meeting; there were nearly sixty boys and girls in addition to the differently abled students.

The Co-ordinator of the Enabling Unit Dr. M. Velrajan welcomed the gathering, stressing on the need for addressing the needs and issues of the differently abled students. The Principal of Aditanar College, Dr. V. Gopalakrishnan, delivered the Presidential Address, urging the student community to treat the differently abled as one among them. The Secretary of Aditanar College Thiru. I. Uthirapandian

felicitated the gathering and the Resource Persons assured that the college would do all that it can to address the problems of the differently abled. Thiru.T.M.N. Deepak spoke for nearly two hours on the topic “Disability Demystified”. Mr. T.M.N. Deepak is now the Assistant Manager of Employee Engagement & CSR Sinar Jernih (I) Pvt Ltd., Chennai. He is the Government Member nominated to Tamil Nadu Government Welfare Board for differently abled by the Honourable Chief Minister who is the Chairman of the Board. He is also a member of the Advisory Panel, Central Board for film certification. He is also a Guest Lecturer on disability, Anna Institute of Management, Government of Tamil Nadu. Further he is a life Member of All India Human Rights Organization. He has also acted as the Hero of Tamil feature film “Maa” which was produced completely by disabled people. Mr. Deepak shattered the myths surrounding the disabled and wanted the disabled to be treated like normal human beings. The emotionality of sentiment that his personal touches created was diffused by his spontaneous sense of humour. Undoubtedly everybody in the Seminar hall, when they left for lunch was moved to tears simultaneously realizing their ignorance and misconceptions.

In the second session, Founder of the Thulir Trust Thiru. H. M.Ahamed Abdul Cader, an advocate by profession was the resource person. Mr. Abdul Cader had established a school for the mentally retarded in Kayalpatnam called the Thulir School for Special Children”. The sole aim of this school is to dedicate itself to the welfare of persons with Mental Retardation, Cerebral Palsy, Autism and associated Multiple Disabilities. Such a man, a symbol of Social Service, enlightened the audience for nearly two hours on the topic “Rights and Entitlements of Disabled Persons”. Both the eminent Resource Persons were introduced by the member of the Enabling Unit, Dr. K. Thanikasalam. Soon after the brief discussion which followed the Enabling Unit Member,

Campus News - Students publication

The Campus News – Students publication has been functioning for the past 30 years. The objectives of the campus news are: To poster and nurture the inherent talents of

the students towards writing articles in Tamil and English on selected subjects and to record and publish the information related to different activities taking place in the college campus during every academic year. The club has a teacher as convener and two teaching faculty and nine student members from P.G. and U.G. of various Departments.

Every year the “Campus News” is published in the month of March. It is distributed to all students and staff members. It contains articles like poem, essay, short stories, etc. The articles suitable for publication are selected by the editorial board and it is approved by the Principal. The activities of the clubs, NSS, NCC are also reported in the campus news. Each student pays rupees two towards the publication of the campus news. The management supports the publication by supplying material at free of cost.

Value Education Forum
