21. Significant contribution made by IQAC on quality enhancement during current year
- Internet Access provided to all the PG and M.Phil., students in P.G. Computer Lab.
  - Restricted Internet Access provided to M.A., and M.Phil., English students in the English Department.
  - Use of ICT in the classroom.
  - Motivating and training the students to develop communication skills and computer skills.

**On the suggestions given by IQAC the following programmes were conducted:**

- NET coaching for PG students.

- Coaching for Bank Service – Clerical cadre and Probationary Officer.
- Coaching class for Group IV – TNPSC
- One day counselling for Civil Service Exams.
- Coaching for TET for P.G. students.
- Coaching for ‘TRB – English’ along with Sivanthi Academy

**22. Academic Programmes**

**Number of new academic programmes developed or designed by faculty : 0**

Our College is a Non-autonomous college. So it is not possible to develop or design new academic programmes. Aditanar College of Arts and Science is affiliated to Manonmanium Sundaranar University, Tirunelveli

**Number of faculty members involved in curriculum restricting / revisions / syllabus development : 6**

Following is the list of the faculty of Aditanar College of Arts and Science who functioned as members of different Board of Studies contributing to syllabus development.

**Number of programmes in which evaluation process reformation taken up and implemented : 15**

As our College is an affiliated College reformation in evaluation process in the University Examination is not possible. But in the University Internal Tests we have made radical changes. It is centralised with a Co-ordinator (Dr.A.Soundrarajan, Associate Professor of Commerce) who conducts all the three Internal Tests on specified dates for all the students. He is responsible for the collection, preparation and distribution of question papers. He sets deadlines for the evaluation of the Test Papers. He also gets feedback from the students about the nature of the question papers. Without revealing the identity of the student he passes on the feedback to the respective teacher for correction and understanding.

**Number of active teaching days during the current academic year : 180**

**Average percentage of attendance of students : 82%**

**Percentage of classes engaged by guest faculty and temporary teachers :**

---

**23 Whether any systematic student feedback mechanism is in place?**

Yes. In our college there is an Advisor for every class who acts as a friend, philosopher and guide to the students addressing their academic and personal problems. As he is closely and personally connected to the students, the students have absolute faith in him. So, this Advisor informally and orally collects feedback from the students about the quality of teaching and the quality of materials supplied to the students. He passes on this feedback to the Head of the Department who in turn passes it on to the respective teacher personally. In our experience, we feel that this systematic 'oral student feedback mechanism' is very effective enhancing the quality of teaching and learning.

In addition to this, during the Farewell Function, III Year U.G. students and II Year P.G. students are encouraged to talk about the curriculum, syllabus, teachers and the materials supplied in the presence of all the teachers of the Department and the Principal. This oral feedback by the students will be both Positive and Negative. But, the point is, because of their emotional vulnerability, on that occasion, the students mostly speak out the truth. Whether it is positive or negative, the teachers take it sportively and constructively.

Further, a printed format for feedback is given to the students.

**Student Feed Back**

The Feed Back (enclosed herewith) given by the students of Final Year UG and PG as a response to the Questionnaire (enclosed herewith) given to them with fifteen different categories to be classified under a five point scale is highly satisfactory. The feedback to some of the areas like 'Academic Content', 'Fairness of Evaluation (Internal Assessment)', 'Library', 'Interaction with Faculty', 'Extra-curricular Activities', 'Sports

Facilities', 'Advisory System' and 'Personal Relationship with Department' is exemplary. 'Computer Facility' and 'Hostel Facilities' are the areas which have to be improved and necessary action is being taken to address these issues. The two distinguishing features of the feedback are 'Usefulness of Teaching Materials' and 'Confidence Level' as a result of studying in the College' are highly remarkable. Necessary action is being taken to further improve upon all the remaining thirteen areas to reach academic and administrative perfection.

This printed consolidated feedback is given to all the Departments for consideration.

## **62. The role of NAAC in the quality development of our institution**

- NAAC website ([www.naac.gov.in](http://www.naac.gov.in)) is very useful.
- The role and functions of IQAC is revealed through NAAC.
- NAAC's recommendations helped us a lot to address our limitations.
- NAAC is basically a Motivator giving the faculty an impetus to work towards the stated objectives within a specified period of time.
- The healthy practice of various colleges seen in the NAAC website motivates one to experiment it in their institutions also.
- NAAC's SWOT analysis in the Peer Team Report was immensely useful.
- NAAC serves the purpose of Accountability for the Teaching and Non-Teaching Staff.
- Students also get motivated and get emotionally involved in the learning process because of NAAC.
- NAAC gives the right direction to the Management to achieve the Goal.
- The AQAR which has to be submitted every year helps in quality enhancement of the college.
