2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

Senior members of IQAC constantly have informal discussions with the junior teachers regarding the promotion of independent learning. Further, IQAC constantly observed how students are being handled by the teachers. Whenever IQAC found certain methods adopted by the teachers to be conventional and obsolete like dictating notes and pure lecture method, IQAC informally and personally suggested to the teachers concerned how their teaching should be made more student - centric. IQAC also constantly reminded the teachers how technology can be used in the classroom for effective teaching.

In this connection, IQAC conducted the following three programmes to enhance the quality of Teaching, Learning: 1) A Guest Lecture on “Time Management” – 6.10.2016 2) A One Day UGC sponsored National Level Workshop on “ICT Enhanced Learning” – 7.10.2016 3) A One Day Workshop on “Soft Skills” – 3.2.2017

6. If there is a necessity to conduct training programmes to deal with the change in the curriculum, senior faculty of our college take up that responsibility.
7. Any training programme conducted by the university regarding curriculum is attended by our faculty. Some of our teachers are members of the Curriculum Development Cell of our University.

The management encourages the faculty to attend seminars and conferences to enrich their knowledge in the respective field. The management also provides funds to every department to conduct seminars/ workshops and guest lectures. The faculty and students get benefitted by this. The management provides sufficient infrastructural facility and funds for the effective delivery of curriculum.

6.3.2 Teaching and Learning

Interactive learning

Interactive learning is effected through 'Peer group interaction', Question Answer sessions, problem solving, quiz, interaction with senior students to get study materials and clarify doubts, and interaction with faculty formally and informally outside the classroom. Further, interactive learning is made possible through arranging plethora of Guest Lectures. Number of Guest Lectures arranged during this year are given below:

1. Department of Business Administration - 7
2. Department of Commerce - 2
3. Department of U.G. Chemistry - 5
4. Department of Physics - 1
5. Department of Computer Science - 1

Total =16

Collaborative learning

Collaborative learning is effected through Group discussion, Case study, Debate, Association activities in all the departments, Group project in the final semester for all the UG courses, field and industrial visit, NSS (4 Units), NCC (Army and Navy), Youth Red Cross, Road safety patrol, Fine arts club, Drama club (Tamil and English), Music club, Folk arts club, Community Radio (Sivanthi FM), Citizen consumer club, Science Forum, Industrial visits and Educational Tours.

Women's Study Centre

1 "Pongal Vizha" was celebrated on 30.1.2017

2 Women's Day was celebrated on 17.3.2017

As a part of Women's day celebrations various competitions such as Mehanti, Rangoli, Cooking and Hair-Do were conducted.

General Knowledge Cell

General Knowledge Cell is functioning effectively in our college to develop the general awareness of our first generation and educationally backward students. Every year we conduct an IAS Model Test for our students. The first three Toppers of the IAS Model Test will represent our college in the Inter- Collegiate General Knowledge Contest. Further every year we conduct Inter Collegiate General Knowledge Contest for Kamarajar Memorial Rolling Cup and Inter- school General Knowledge Contest for T.P.Meenakshi Sundaranar Memorial Rolling cup. The details are given below:

IAS Model Test was conducted in our college for the interested students on 11-01-2017.

S.No	Name	Class	Prize
1	E.Shunmuga Sundari	I M.Sc (Maths)	I
2	L.Selvaraja	II B.Sc (maths)	II
3	K.Manimohan	III B.Sc (Comp Sci)	II

The above students represented our college in the Inter Collegiate General Knowledge Test.

Inter Collegiate General Knowledge Contest for Kamarajar Memorial Rolling cup was held in our college on 9.2.2017. Five colleges participated. Aditanar College of Arts and Science, Tiruchendur won the rolling cup.

- Valedictory Function of UG and PG English Literary Association (ELANDE)- 17.4.2017

6.3.3 Examination and Evaluation

Every semester, three cycle tests are conducted to evaluate the performance of students. The Co-ordinator for internal tests submits a schedule for submission of question papers, test dates, and submission of internal marks to the Staff-council and gets it approved. The scheme of valuation is suggested to the teachers by the respective question setters. In addition, model tests are also conducted. In CBCS, the assignments are given well in advance. The final examination is conducted by the university. The evaluation procedures are made known to the students by giving the pattern of question papers, distribution of marks and scheme of valuation.

In our college almost all the teachers are involved in the valuation of the university examination papers. Hence they are aware of the scheme of valuation of the university and are able to communicate the details clearly to the students.

New teachers are made aware of the evaluation process by the senior faculty.

6.3.4 Research and Development

Our college has a research committee with Dr. T.Balu, Associate Professor of Physics as the Convener and Dr. P. Selvarajan, Associate Professor of Physics, as the Secretary and all the recognized research guides of our college as the members. The main activity of the committee is to promote research activities. Application forms for applying to various funding agencies for minor/major research projects are downloaded and circulated to all the staff members.

International Recognition

Dr.P.Selvarajan, Associate Professor of Physics, in recognition of the contributions made to the quality of the Journal “Materials Research Bulletin” was given a certificate for “Outstanding Research Contribution in Reviewing”

6.3.5 Library, ICT and physical infrastructure / instrumentation

For efficient administration and functioning of the library, a library committee is constituted, which functions as an Advisory Committee. The committee comprises of seven teachers and nine students. It meets once in a year and puts forward suggestions for efficient functioning of the library. The committee suggests library automation and extension of infrastructure. It also suggests service improvement in the library. Student members of the committee give feedback. The general function is reviewed. The committee gives important suggestions to the Principal. Management provides funds for ICT and developing physical infrastructure.

6.3.6 Human Resource Management

Qualified and competent teaching and non-teaching staff members are recruited. The institution also creates conducive atmosphere for higher studies of the staff members. It constantly motivates the faculty members to do research activities.

6.3.7 Faculty and Staff recruitment

The teachers are appointed for the aided courses on merit basis as per the norms fixed by the UGC and State Government. The roster system as prescribed by the State Government is strictly followed. A selection committee, as given below, is constituted as per the UGC norms. The permanent members of selection committee are Chairman, Principal, Head of the concerned Department, Vice-Chancellor's Nominee, Vice-Chancellor's Subject Expert, and two subject experts from universities. Those vacancies which are not filled up by the Government are filled up by the Management, as the management does not want the students to suffer.

6.3.8 Industry Interaction / Collaboration

The institution permits industries to conduct campus interviews in the college. It also encourages the students to attend the off campus interviews conducted by the industries. Students are permitted to go for industrial visits. The Management and the Principal encourage the teachers to go for Collaboration with Industries.

6.3.9 Admission of Students

Our college adopts open counseling system for admitting new entrants. An applicant can opt for a maximum of five courses in a single application. After receiving the filled in application forms for all courses, a rank list for each course is prepared after scrutiny. While receiving the application forms, candidates are provided with written information about the date and time of counseling for admission. Those candidates who have sent their applications by post are informed of the counseling details by post. Counseling is conducted for two days viz., the first day for the science discipline and the second day for the arts discipline.

The Committee headed by the Principal, concerned department head, and other staff members will invite the candidates as per their rank and government reservation policy. Candidates, if selected for more than one course, can opt for the course of their preference. The selected students will be issued admission card on the spot by the Principal. This procedure is followed till all the applications/candidates are exhausted.

6.14 Initiatives taken by the institution to make the campus eco-friendly

The objectives of eco club are planning and management of natural resources such as land and water. 'Biodiversity conservation' and 'campus sanitation management' are the priorities of this club and the students are made aware of and participate in these activities. Staff and students are advised to turn the tap off and drain the waste water properly inside the campus. The management of this institution regularly cleans the litter of the campus and is recycled. The students and staff vehicles are properly parked in the parking area (shed) to avoid the nuisance of pet fouling which is hazardous to general health and hygiene. Solid Waste Management is handled through Vermi Culture.

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

III B.A English students celebrated their farewell party in the indoor auditorium of our college, on 7.4.2017 at 1.00 p.m along with the “Anbu Illam” (an orphanage situated at Tiruchendur) children. Prof.C.Shola Fernando, the advisor for the III B.A English students welcomed the gathering. Dr.P.Subramaniam, presided over the function. Dr.K.Thanikasalam, Head of the Department of English and the chief guest of the function encouraged and motivated the III B.A English students. The students provided lunch for the children and then entertained them with various games and cultural programmes. They also took them around the college, especially to the English Language Lab and stressed the importance of education. S.Venkatasubramaniam, representative of II B.A English Proposed a Vote of Thanks.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- A One Day UGC sponsored seminar on “Physical and Mental Health” – 23.9.2016
- UGC sponsored Literacy Awareness Programme for the children of ‘Anbu Illam”, Tiruchendur – 1.10.2016
- A Guest Lecture on “Time Management” – 6.10.2016
- A One Day UGC sponsored National Level Workshop on “ICT Enhanced Learning” – 7.10.2016
- A Guest Lecture on “How to prepare for Civil Service Examination” – 19.12.2016
- ADFEST 2017 – 26.12.2016 to 6.1.2017
- A One Day Counselling Programme on Competitive Examinations” – 11.1.2017
- A One Day Workshop on “Soft Skills” – 3.2.2017
- A One Day Workshop on “Emotional Intelligence” – 16.2.2017
- Science Popularization Programme for School Children – 27.2.2017

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

The two Best practices of our College are:

1. Advisory System
2. Inculcating Research aptitude among the staff and students.

Advisory System

In this material world, with Liberalization, Privatization and Globalization as the economic “mantra”, life has become very competitive and only the fittest can survive. In this scenario, our students with a rural and poor background are economically, educationally and socially backward. Most of them are first generation learners. Hence they need to be guided, moulded and nurtured little by little with Himalayan patience. In our economical and sociological context, our teachers cannot be merely guides or torchbearers. They have to be a mother, a father, a brother, a sister, a psychoanalyst and a Guru guiding them in every moment of their life. It is in this context that our College introduced a scientific Advisory System in 1970 which we ourselves feel proud of.

Objectives of the Practice:

- To improve the knowledge of students and make them academically sound
- To make them employable and seek self-employment
- To have an all-round development
- To inculcate personal, social, moral and spiritual values.

The Practice: Students are given nineteen orientation programmes from the first semester to the sixth semester. In the first semester, five orientation programmes are given at periodical intervals. In the second semester, another six orientation programmes are given. By now, the students would have understood everything about the college and what is expected of them. In the second year, four orientation programmes are given, two each in the third and fourth semesters. In the third year, four orientation programmes are given two each in the fifth and sixth semesters.

Impact of the Practice: Our experience tells us that our students have been immensely influenced by the advisory system. For some of the students a good advisor is like a demi-god and almost a member of the family. For three years they have virtually lived with their advisor whom they really love and never forget in their life. The Advisory system has produced wonderful citizens not only with academic intelligence but also with emotional intelligence.

The Advisory System not only influences the students but also the Advisors. The serious and sincere advisors become wonderful teachers with social commitment. This is reflected in their contribution to the “MUTA Scholarship Fund.” They donate willingly, voluntarily and silently. Likewise, the students contribute to the society in a big way through Blood Donation. Since 1970 many students have donated blood, thanks to the Advisory System.

Inculcating Research Aptitude among the Staff and Students:

We have four Research Centres in our College in English, Mathematics, Economics and Chemistry. This enables the students to become research oriented motivating them to present papers in Seminars and Conferences conducted by other Institutions. Some of them even got the Best Paper Award for their presentations in the academic year 2016-2017. Details of the students who participated or presented papers in Seminars are given below.

	International	National	Others
Peer Review Journals	65	5	1
Non-Peer Review Journals	-	-	-

Sl.No	Particulars	Strongly Agree	Agree	No opinion	Disagree	Strongly Disagree
A	STRENGTH					
1	Dedicated, devoted and approachable faculty					
2	Inculcation of adequate moral and spiritual values through social value education					
3	Sufficient infrastructural facilities provided by the management					
4	More number of seminars/workshops conducted through UGC funds and Management funds					
5	Personal care to the slow learners through remedial coaching					
6	Creation of awareness about competitive examination by conducting coaching classes for competitive examinations					
B	WEAKNESS					
1	Very difficult to avoid absentees in the classes					
2	Very difficult to improve communication skills of the students					
3	Very limited campus interview because the college is situated in a rural area					
C	OPPORTUNITIES					
1	Exposure of hidden talents of the students through association activities and presenting papers in seminars					
2	Enrichment of subject knowledge by organizing more seminars/workshops					

3	Adequate recognition and rewards to the students for their activities in curricular and co-curricular activities					
D	CHALLENGES					
1	Lack of interest in higher education and career advancement due to rural background					
2	Establishment of new self financing Arts and Science Colleges in and around Tiruchendur					
3	Preference to Professional Courses

Students Feedback Analysis (2016-2017)

The feedback collected from 407 students of final year UG and PG as a response to the questionnaire given to them with eight different categories is highly satisfactory. The feedback is exemplary in all the following eight areas:

1. Satisfaction with the curriculum
2. Textbooks prescribed in the syllabus
3. The present syllabus is suitable for competitive examinations
4. Number of papers in each semester
5. Part 1 and Part 2 in developing communication skills
6. Non-Major elective
7. Skill development paper serves its purpose
8. Syllabus to get employment

92.39% (376 out of 407 students) have expressed satisfaction with the curriculum.

98.04% of the students (399 out of 407 students) have expressed their happiness with the Textbooks prescribed in the syllabus.

70.76% of the students (288 out of 407 students) are convinced that the present syllabus is suitable for competitive examinations.

With reference to the number of papers in each semester 20 students (4.92%) out of 407 consider this to be overloaded. 309 students (75.92%) out of 407 consider this to be balanced. 75 students out of 407 consider the number of papers in each semester to be sufficient.

With reference to the “Role of Part I & Part II in developing Communication Skills” 127 students out of 407 (41.51%) consider this to be very useful. 81 students (26.47%) consider this to be useful to a Major Extent. 87 students (28.43%) consider the Syllabus to be useful to some Extent.

With reference to Non-Major Elective 120 students out of 407 (39.22%) consider this to be very essential. 130 students (42.48%) consider this to be essential. 47 students (15.36%) consider this to be somewhat essential. Only 9 students (2.94%) consider this to be not essential.

With reference to the “Skill Development paper serving its purpose” 357 students out of 407 (87.72%) consider this to be relevant and serving its purpose. Only 12.28% (50 out of 407) consider this is not serving its purpose.

With reference to the category “Syllabus to get Employment” 135 students (33.17%) out of 407 consider syllabus to be very helpful to get employment. 77 out of 179 students (43.98%) consider this to be helpful to get employment. Only 16 students (3.93%) consider ‘Syllabus to get employment’ not helpful.
