The Institution and the Department

Aditanar College of Arts and Science was established in the Year 1965, by Si.Pa.Aditanar to provide quality education to the deprived and underprivileged section of the society. Thanks to the philanthropy of Thiru.Si.Pa.Aditanar M.A., Bar-at-Law, and his illustrious son Founder President Padmashree Dr. B. Sivanthi Adityan and his extraordinary grandson Thiru. S. Balasubramanian Adityan. The college is affiliated to the Manonmaniam Sundaranar University, Tirunelveli and re-accredited by NAAC with an 'A' grade in the third cycle of reaccreditation.

The college offers twelve Under Graduate programmes, five PG programmes and five M.Phil., programmes (Economics, English, Mathematics, Chemistry and Zoology). The research centre in Maths, Economics, English, Chemistry and Zoology offer Ph.D. programme. To enrich the literacy and cultural talents of the students, various literacy and cultural clubs are functioning in our college. Several major and minor research projects sponsored by UGC, DST and TNSCST have been taken by our staff members. The "Sivanthi Community Radio" (90.4 MHz) approved by the Ministry of information and Broadcasting, Government of India, New Delhi broadcasts from our college.

The PG Department of Chemistry was established in the year 2003 with M.Sc. Chemistry Programme. Subsequently M.Phil. Chemistry was started in 2007. The department has separate Analytical Laboratory for M.Sc. and M.Phil. Chemistry with all

fundamental requirements. II M.Sc. and M.Phil. Chemistry students are doing academic project in the thrust areas like Nanotechnology, Green Chemistry, Organic chemistry, Medicinal chemistry, Electrochemistry and Environmental Chemistry.

Aim of the Conference

This conference mainly focuses on importance of copper in biological life and applications of titania-based nanomaterials in fields such as smart material devices, photocatalytic process etc. Hence, the conference will motivate the young researchers for higher learning and thirst for innovative research in the area of

- ✦ **Bioinorganic chemistry**
- ✦ **Material chemistry**
- ✦ **Environmental chemistry**
- ✦ **Nano chemistry**
- ✦ **Photochemistry**

Registration and Submission of Abstracts

Spot registration is allowed. Registration fee includes cost of conference kit, lunch and refreshments. No TA/DA will be provided. We have planned to bring out the abstracts in the conference proceedings. The participants are invited to submit their abstracts of research work for poster presentation of about one page (1.5 line spacing and 12 font size in Times New Roman). It should contain title, name and address of the authors (presenting author should be underlined). All abstracts should be submitted through email (aditanarpgchemistry@gmail.com) as an attachment file on or before **09/03/2023**.
