

Aditanar College of Arts and Science

(Re-Accredited in the Third Cycle with 'A' grade by NAAC)

Virapandianpatnam - 628 216

Tiruchendur

**PROGRAMMES
ORGANIZED BY
DEPARTMENT
OF
CHEMISTRY
(2022 – 2023)**

S.No	Date	Programme Type	Programme Title
1	16.09.2022	Guest Lecture	Guest Lecture on “ Cyber Crime”
2	25.01.2023	International seminar	International seminar “Advanced Materials and their Applications”

*Guest Lecture on "Cyber Crime" Organized by Department of
Chemistry on 16.09.2022*

V.S.
Principal
Aditanar College
of Arts and Science
Tiruchendur.

About the Institution

Aditanar College of Arts and Science was established in the year 1965, by Si. Pa. Aditanar aimed at creating well qualified and competent students to cater to the rising demand of personnel across the globe and to impart quality education based on values and discipline to the needy and the under privileged. The college is affiliated to the Manonmaniam Sundaranar University, Tirunelveli and re-accredited in the third cycle with 'A' grade by NAAC.

The college offers twelve Under Graduate programmes, five PG programmes and five M.Phil., programmes (Economics, English, Mathematics, Chemistry and Zoology). The research centre in Maths, Economics, English, Chemistry and Zoology offer Ph.D. programme. To enrich the literacy and cultural talents of the students, various literacy and cultural clubs are functioning in our college. Several major and minor research projects sponsored by UGC, DST and TNSCST have been undertaken by our staff members.

About the Department

Department of Chemistry was established in the year 1966. The Department offers B.Sc., Ph.D. programs and Certificate/Diploma courses in Soil Science and Agricultural Chemistry. Department organizes innovative and relevant activities for the students regularly. The Department was recognized in 2008 as a research centre by Manonmaniam Sundaranar University, Tirunelveli. The Department has produced nearly 20 Ph.D. scholars. The department has the state-of-art equipment necessary for curricular needs.

About the Seminar

The aim of the seminar is to create an effective forum for active participants from academia, industry and research institutes to connect and discuss recent breakthroughs in chemistry.

International Seminar on

**“Advanced Materials and their
Applications”**

25th January 2023

Organized by

**Department of Chemistry &
Research Centre**
