Dear Sir/ Madam,

**Greetings!**

Our department of PG Zoology, Aditanar College of Arts and Science, Tiruchendur welcomes you and your students, scholars presence and intellectual sharing in the one day workshop on "Recent Trends In Aquaculture and Fish Taxonomy" to be held on 23 March 2023 (Thursday).

**About the College & Department**

Aditanar College of Arts and Science was established in the year 1965, by Thiru. Si. Pa. Aditanar M.A., Bar-at-Law to provide quality education to the deprived and underprivileged sections of the society. Thanks to Thiru. Si. Pa. Aditanar M.A., Bar-at-Law and his illustrious son Padmashree Dr. B. Sivanthi Adityan Founder President and his extraordinary grandson Thiru. S. Balasubramanian Adityan. The college is affiliated to Manonmaniam Sundaranar University, Tirunelveli and is re-accredited by NAAC with 'A' grade in the third cycle of reaccreditation. The college offers eleven UG programmes, five PG programmes and M.Phil programmes in English, Economics, Mathematics, Chemistry and Zoology. The research centers in English, Economics, Mathematics, Chemistry and Zoology offer PhD programmes. Our college is operating 'Sivanthi Community Radio' at the frequency of 90.4MHz with the approval from the Ministry of Information and Broadcasting, Govt. of India, New Delhi. The college maintains high academic standards and provides quality education.

The department of PG Zoology was established in the year 2011 with M.Sc Zoology programme. Subsequently MPhil Zoology was started in 2013. We provide disciplined quality education. Our students received 3 Gold Medals and got 12 university ranks in M.S University Examinations so far.

**About the Workshop**

Our India is the second largest fish producing country in the world. In our aquaculture market size reached 12.4 million tons in 2022. Looking forward, IMARC group expects the market to reach 19.9 million tons by 2028, exhibiting a growth rate of 8.1% during 2023-2028. Several programmes are conducted to reach that milestone and India to become number one. We organize this programme for the students and scholars. The objectives of the workshop is to enhance the knowledge about recent trends in aquaculture, to learn with hands on practices in fish taxonomy, to discuss about the threats, create awareness and understanding the conservation aspects of fish population.

**Registration Details**

Both UG, PG students and Research Scholars from any branches of Zoology are invited to participate in the programme.

Registration fee Rs. 150/- per participant

- Spot Registration also accepted with prior intimation
- Lunch and Refreshment will be provide
- No TA/DA will be provided
- Maximum of Five Participants per department
