<p>Dear Sir/Madam Greetings</p> <p>The Department of Economics, Aditanar College, Tiruchendur and Golden Palm Petroleum Services Co.W.L.L., Kuwait jointly invite your presence and intellectual discussion in the International level Seminar on “Public Debt in Tamil Nadu” on 13th August 2018 (Monday).</p> <p>About the College</p> <p>Aditanar College of Arts and Science was established in the year 1965 by Thiru.Si.Pa. Aditanar to provide quality education to the deprived and underprivileged section of the society. Thanks to the philanthropy of Thiru.Si.Pa. Aditanar M.A., Bar-at-Law, his illustrious son Founder President Padmasree Dr.B.Sivanthi Adityan and his extraordinary grand son Thiru. S.Balasubramanian Adityan. The college is affiliated to the Manonmaniam Sundaranar University, Tirunelveli and re-accredited by NAAC with an ‘A’ grade in the third cycle of re-accreditation.</p> <p>The College offers Eleven Under Graduate programmes, five PG, M.Phil., and Ph.D., programmes (Economics, English, Mathematics, Chemistry and Zoology). The college has Sponsored several sports tournaments. To enrich the literacy and cultural talents of the students, various literary and cultural clubs are functioning in our college. Several major and minor research projects sponsored by UGC, DST and TNSCST have been done by our staff</p>	<p>members. The “Sivanthi Community Radio” (90.4 MHz.) is approved by the Ministry of Information and Broadcasting, Government of India, New Delhi broadcasts from our College.</p> <p>About the Department</p> <p>The Department of Economics was started in 1965 and it was elevated as Post Graduate Department in 1982. M.Phil., programme was introduced in 1986 and the Department was upgraded as a Research Centre in 1996.</p> <p>In 1985 and 2011, the Department organised the Annual Conference of Association of Economists of Tamilnadu (AET). The Department periodically organises workshops and seminars on Research methodology, Quantitative techniques and Current Issues in Indian Economy.</p> <p>About the Seminar</p> <p>India has a federal form of government comprising central, state and local governments. The state governments play a pivotal role in accelerating and sustaining the economic development of India. According to Indian constitution the state governments have important responsibilities in many sectors such as agricultural development, infrastructure, poverty alleviation, fisheries, water supply and irrigation, Law and order, public health and sanitation. Moreover, the state and the centre have concurrent jurisdiction over service areas like education, economic planning (schemes), social planning and electricity. In order to be taken up these services, the state</p>	<p>governments have expenditure responsibilities and revenue sources. If the revenue sources do not meet the state's expenditure, the state governments have power to borrow within the country. Public borrowing is a recognised source of public fund for states. In the Indian constitution, Article 293 empowers the state governments to raise the loans. Tamil Nadu is a well known state in India, which performs various functions and including social upliftment programmes and a number of freebies. As a result Tamil Nadu tops the list of southern states in revenue deficit. So the fiscal deficit of Tamil Nadu has been diagnosed with several damages. Very often the subject experts in the field state finance point out the mounting debt liabilities and higher interest payment. The budget 2018-2019 estimates that, the total debt of Tamil Nadu is Rs.3.55 lakh crore. This is mere a bad omen to the growing nature of Tamil Nadu economy. Therefore this is the appropriate time to eliminate the debt trap from the economy of Tamil Nadu. For this purpose the Department of Economics and Research Centre, Aditanar College of Arts and Science and Golden Palm Petroleum Services Co.W.L.L., Kuwait are jointly organizing a one day International level seminar on “Public Debt in Tamilnadu”. It is believed that this seminar will generate fruitful discussion and debate which will enrich the knowledge of participants on Public Debt in Tamil Nadu.</p>	<p>Thrust Areas</p> <ul style="list-style-type: none"> ➤ Public debt in Tamil Nadu - An Overview ➤ Sources of Public Debt in Tamil Nadu ➤ Reasons for Public Debt in Tamil Nadu ➤ State Debt and Economic Development of Tamil Nadu ➤ State Debt and GDP Growth rate of Tamil Nadu ➤ Public Debt management in Tamil Nadu ➤ Revenue Deficit & Public Debt in Tamil Nadu ➤ Debt burden in Tamil Nadu ➤ Freebies and Public Debt ➤ Any other topic related to Public Debt in Tamil Nadu <p>Who Can Participate</p> <p>Teaching faculty, research scholars and students of Economics, Commerce, Management and other related disciplines can participate and present Papers.</p> <p>Procedure of Paper Submission</p> <p>Paper presenters must send an abstract of 250 words preferable by email to publicdebt2018@gmail.com on or before 30.07.2018. Tiruchendur- A Centre of Higher Education

Among the six abodes of the Lord of Light, the ancient town of Tiruchendur holds a pride of place in that it is here that the Kurinji God, Lord Muruga's temple is situated on the seashore. Unlike in all other abodes where one has to ascend the steps of the hillocks, here one has to descend the temple to worship the God, the very act signifying the noble value of humility as a means to salvation. The holy town has all along inspired and encouraged intellectual and spiritual activities. In recent times, Tiruchendur has surged into a centre of higher education, thanks mainly to the philanthropy of Thiru. Si. Pa. Aditanar M.A., Bar-at-law and his illustrious son Dr. B. Sivanthi Aditanar and the charismatic grandson Mr. S. Balasubramanian Adityan.

About the College

Aditanar College of Arts and Science was established in the year 1965 by Thiru.Si.Pa. Aditanar to provide quality education to the deprived and underprivileged sections of the society. His illustrious son Padmashree Dr. B.Sivanthi Aditanar is the Founder President of our College Committee. Honourable Mr. S. Balasubramanian Adityan, son of Padmashree Dr.B.Sivanthi Aditanar, is now the Chairman of our Aditanar Educational Institutions.

The college is affiliated to Manonmaniam Sundaranar University, Tirunelveli and is re-accredited in the third cycle by NAAC with 'A' Grade. The college offers ten U.G programmes, five P.G programmes, five M.Phil programmes (English, Economics, Mathematics, Zoology and Chemistry) and Ph.D. programmes. The college has taken up several UGC, DST and TNSCST sponsored projects. The college is operating 'Sivanthi Community Radio' at the frequency of 90.4 MHz with the approval from the Ministry of Information and Broadcasting, Government of India, New Delhi.

About the Department

The Department of English has shown keen interest in the three fold services of teaching, research and extension.

The Department has a well-equipped language laboratory and library both of which are made the maximum use of by the students and the staff. Periodically seminars, conferences and guest lectures are organized to enable the scholars to keep abreast of the latest trends in literary scholarship and criticism. These activities serve as motivating factors for young teachers to take up research in the fields of their interest. Almost all teachers are involved in co-curricular activities like offering orientation courses for the unemployed graduates to appear for UPSC, TNPSC, NET/SLET and Entrance exams. The department was elevated as a Research Centre in English in 2012.

About the Seminar

The term 'subaltern' in academic discourse has been used to refer to any person or group of persons who have been discriminated, victimized, marginalized and 'othered' for the reasons connected to race, class, caste, religion and region. The subalterns who are subjected to this unfair treatment find their own ways and means to raise above the context of suppression and express their voice and fight for freedom and justice. There are innumerable ways in which 'the self-expression' of subalterns takes place despite the attempts of the political and social forces to 'silence' them. Subaltern Literature, in today's world is largely viewed as a reflection of their 'self-expression' in social, academic, cultural and political contexts.

Subaltern Literature, which is largely influenced by the living experiences of pain, isolation, subjugation, victimization, otherness and marginalization has become a branch of its own, fighting for its 'identity' and 'rightful place' in history. The interpretative narratives which bring value to subaltern sentiments are deeply influenced by the theories of Post-colonialism, Post-structuralism, Feminism and Marxism.

This seminar is an attempt at exploring the theme and concept of 'Resistance and Reconstruction' as presented in Post-colonial texts, with specific reference to subaltern writings, in order to expose the forces of oppression and forms of victimization in a language of freedom and justice.

The Sub-themes of the Seminar may include:

- The theme of otherness
- The concept of homeland
- Power structures and their impact
- Cultural hegemony
- Linguistic identity
- Eurocentric perspectives
- Forces of oppression: Class, Race and Gender
- The voice of subaltern
- The emergence of New Womanhood
- Hybridity and cultural superiority
- Conflicts and resolution
- Identity construction
- Postcolonial perspectives in subaltern studies

14. State Level Conference on “Emerging Trends in Material Chemistry” Organized by Department of PG Chemistry on 22.01.2019

The Institution and the Department

Aditanar College of Arts and Science was established in the year 1962 by St.PA Aditanar to provide quality education to the deprived and underprivileged section of the society. Thanks to the philanthropy of Thiru.S.Pa.Aditanar M.A., B.A., B.Law, his illustrious son Founder President Late Master Thiru. B. Sivanthi Adityan and his extraordinary grand son Thiru. S. Balasubramanian Adityan. The college is affiliated to the Manonmaniam Sundaranar University, Tirunelveli and re-accredited by NAAC with an 'A' grade in the third cycle of reaccreditation.

The college offers twelve Under Graduate programmes, five PG programmes and five M.Phil. programmes (Economics, English, Mathematics, Chemistry and Zoology). The research centre in Economics, English and Chemistry offer Ph.D. programme. The college has taken up several sports tournament. To enrich the literary and cultural talents of the students, various literary and cultural clubs have been functioning in our college. Several major and minor research projects sponsored by UGC, DST and TRSST have been taken by our staff members. The "Sivanthi Community Radio" (90.4 MHz) started by the Ministry of Information and Publicity, Government of India, New Delhi is located in our college.

The PG Department of Chemistry was started in the year 2011 with M.Sc. Chemistry, B.Sc. Chemistry and M.Phil. Chemistry was started in 2012. The department has separate Advanced Undergraduate and M.Phil. Chemistry with all fundamental equipments. Recently separate computer lab with internet facility is set

in the department. II M.Sc. and M.Phil. Chemistry students are doing Academic project in the thrust areas like Nanotechnology, Green Chemistry, Electro chemistry and Environmental studies.

Aim of the Seminar

This seminar mainly focuses on the recent development of materials in chemistry at the interfaces of various fields such as sensors, catalysis and nano materials etc. Hence, the seminar will motivate the young researchers for higher learning and thirst for innovative research.

- > Nano materials
- > Photochemistry
- > Solar cells
- > Green organic synthesis
- > Chemical sensors
- > Inorganic materials
- > Environmental chemistry

Registration and Submission of Abstracts

They are invited to submit their abstracts (Original Research) of about one page (1.5 line spacing and 12 font size in Times New Roman). It should contain title, name and address of the authors (presenting author should be underlined). All abstracts should be submitted by email (aditanarpgchemistry@gmail.com) as an attachment file. The last date for submitting the abstracts on 15th January 2019.

<p>About our College</p> <p>Aditanar College of Arts and Science was established in 1965 by Thiru. Si. Pa. Aditanar to provide quality education to the deprived and underprivileged section of the society. Thanks to the philanthropy of Thiru. Si. Pa. Aditanar M.A., Bar-at-Law, his illustrious son Founder President Padmashree Dr. B. Sivanthi Adityan and his extraordinary grand son Thiru. S. Balasubramanian Adityan. The college is affiliated to Manonmaniam Sundaranar University, Tirunelveli and re-accredited by NAAC with an 'A' grade in the third cycle of re-accreditation. The college offers eleven Under Graduate Programmes, five PG, M.Phil., and Ph.D., programmes.</p> <p>The college has sponsored several sports tournaments. To enrich the literacy and cultural talents of the students, various literacy and cultural clubs are functioning in our college.</p>	<p>Several major and minor research projects sponsored by UGC, DST and TNSCST have been done by our staff members. The “Sivanthi Community Radio” (90.4 MHz) is approved by the Ministry of Information and Broadcasting, Government of India, New Delhi broadcasts from our college.</p> <p>About our Department</p> <p>The Department of Mathematics was established in 1966 and it was elevated as Post Graduate Department in 1980. M.Phil., programmes was introduced in 1985 and the Department was upgraded as a Research Centre in 2006.</p> <p>The Department has highly qualified faculty members who are actively engaged in teaching, research and continuing education programmes. The members have published and presented many research papers in National and International journals and conferences. Presently four of our faculty members are approved Research Supervisors.</p>	<p>Objective of the Seminar</p> <p>The objective behind organising this seminar is to develop greater understanding of new findings and to enrich knowledge and skills. This seminar highlights the latest results in the fields of Algebraic Graph Theory and Topology. It also gives opportunity to young researchers for a fruitful discussion, interaction and to get motivation to carryout research in these fields.</p> <p>★ Registration Fee Rs. 100/- per participant</p> <p>★ Tea & Lunch will be provided</p> <p>★ No TA/DA will be provided</p> <p>★ Registration through email is mandatory.</p> <p>For Registration kindly mail to aditanarmaths@gmail.com</p>	<p style="text-align: center;">STATE LEVEL SEMINAR ON RECENT TRENDS IN PURE AND APPLIED MATHEMATICS (RTPAM '19)</p> <p style="text-align: center;">24th January, 2019</p> <p style="text-align: center;">REGISTRATION FORM</p> <p>1. Dear Sir/Madam
Greetings and Happy New Year 2019

The Department of Economics, Aditanar College, Tiruchendur invites your presence and intellectual discussion in the state Level Seminar on "Infrastructure and Economic Development of India" on 30th January 2019 (Wednesday)

About our College

Aditanar College of Arts and Science was established in the year 1965 by Thiru. Si. Pa. Aditanar to provide quality education to the deprived and underprivileged section of the society. Thanks to the philanthropy of Thiru. Si. Pa. Aditanar M.A., Bar-at-Law, his illustrious son Founder President Padmashree Dr. B. Sivanthi Adityan and his extraordinary grand son Thiru. S. Balasubramanian Adityan. The college is affiliated to the Manonmaniam Sundaranar University, Tirunelveli and re-accredited by NAAC with an 'A' grade in the third cycle of reaccreditation. The college offers eleven Under Graduate Programmes, five PG, M.Phil., and Ph.D., programmes (Economics, English, Chemistry and Zoology). The college has sponsored several sports tournaments. To enrich the literacy and cultural talents of the students, various literacy and cultural clubs are functioning in our college. Several major and minor research projects sponsored by UGC, DST and TNSCST have been done

by our staff members. The "Sivanthi Community Radio" (90.4 MHz) is approved by the Ministry of Information and Broadcasting, Government of India, New Delhi broadcasts from our college.

About our Department

The Department of Economics was started in 1965 and it was elevated as Post Graduate Department in 1982. M.Phil., programme was introduced in 1986 and the Department was upgraded as a Research Centre in 1996.

In 1985 and 2011, the Department organised the Annual Conference of Association of Economists of Tamil Nadu (AET). The Department periodically organises workshops and seminars on Research methodology, Quantitative techniques and Current Issues in Indian Economy. In August 2018, the Department organised the one day International Seminar on Public Debt in Tamil Nadu.

About the Seminar

The need for investment on infrastructure has been continuously increasing after Economic Reforms in India. The public authorities have been taking every possible step to enhance its allocation on infrastructure development. However, it is scanty to meet

our needs in terms of quantitatively and qualitatively. Therefore, it is necessary to encourage the private investment on infrastructure to fulfill the gap. Insufficient investment on infrastructure is the serious issue, which is caused for the slow down of India's economic development in the recent times. This issue should be properly addressed and discussed in the academic circle. So that the suitable policies can be arrived. In this context, the Department of Economics and Research Centre, Aditanar College of Arts and Science, Tiruchendur is organising the one day State Level Seminar on "Infrastructure and Economic Development of India"

It is affiliated to Manonmaniam Sundaranar University, Tirunelveli and is re-accredited by NAAC with A Grade in the third cycle.</p> <p>The College has 12 U.G. programmes including Physics, Mathematics, Computer Science and P.G. & M.Phil. programmes in Mathematics, Chemistry, Zoology, English, Economics and also offer Ph.D. programmes. UGC - Sponsored add-on courses are offered in Soil Science, Medicinal Botany and Sericulture.</p> <p>The college maintains high academic standards and provides quality education. It has taken up several UGC, DST and TNSCST sponsored research projects.</p>	<p>The Department of Physics offers Physics main for the past 38 years. The faculty is well experienced, research oriented and has taken up many research projects. The department has successfully run a few Science popularisation Schemes with aid from TNSCST. The department is also carrying out science popularisation activities sponsored by our college management.</p> <p>Crystal Growth Centre was established in the Department of Physics of our college in 2003 to carry out research activities in the field of crystal growth and nanotechnology. Some of the instrumental facilities available in the centre are constant temperature bath, microwave oven, temperature - controlled furnace, two probe arrangement, pelletizer, centrifuge, LCR meter, electronic balance, pH meter, Abbe's refractometer, magnetic stirrer, melting point apparatus, internet facility etc. Faculty members and students of our and nearby colleges are using the facilities available in the centre to carry out their research works.</p>	<p style="text-align: center;">Objectives of the seminar</p> <ol style="list-style-type: none"> 1. To create awareness and motivation among the students in the maintenance of Electrical and Electronics Appliances 2. To develop practical skills among the students to handle the Electrical and Electronics Appliances 3. To inculcate the knowledge in the field of Electrical Wiring and Winding 4. To train the Physics major students, studying a skill based paper on "Maintenance of Electrical and Electronics Equipments". <p style="text-align: center;">★ Registration Fee Rs. 100/- per participant</p> <p style="text-align: center;">★ Tea & Lunch will be provided</p> <p style="text-align: center;">★ No TA/DA will be provided</p>

**STATE LEVEL SEMINAR
on
CORPORATE SOCIAL
RESPONSIBILITY IN INDIA**

15 FEBRUARY 2019

Dear Sir/Madam

The Department of Commerce, Aditanar college, Tiruchendur invites your presence and intellectual discussion in the state level seminar on Corporate Social Responsibility in India at 15th February 2019 (Friday)

ABOUT OUR COLLEGE

Aditanar College of Arts and Science was established in the year 1965 by Thiru. S. P. Aditanar in provide quality education to the deprived and under privileged sections of the Society. Thanks to the philanthropy of Thiru. S. P. Aditanar M.A., Bar-at-Law, his illustrious son founder president Padmaiah Dr. B. Sivakumar Aditanar and his coventory grant and Thiru. S. Balasubramaniam Adityan. The College is affiliated to the Mahatma Gandhi University, Tirunelveli and re-accredited by NAAC with an 'A' grade in the third cycle of re-accreditation. The college offers eleven Under Graduate Programmes, Five PG, M.Phil. and Ph.D. programmes (Economics, English, Chemistry and Zoology). The college has sponsored several sports tournaments. To enrich the literary sports tournaments. To enrich the literary and cultural talents of the students, various literary and cultural clubs are functioning in our college. Several major and minor research projects sponsored by UGC, DST and TNSCST have been done by our staff members. The "Sivakumar Community Radio" (90.4 MHz) is approved by the Ministry of Information and Broadcasting, Government of India, New Delhi broadcasts from our college.

ABOUT OUR DEPARTMENT

Our department was established in the year 1981 and offers under graduated degree course in commerce. The first Goldmedalist in commerce of Mahatma Gandhi University was produced by our department. The Department has conducted a UGC Sponsored State Level Seminar during the academic year in 2011-2012. In August 2013, the department organized the National Level Seminar on CRM in Commercial Banks in the Era of Globalization. Our Alumnus are practicing as leading Chartered Accountants, Cost Accountants and also occupy higher position in reputed concerns.

ABOUT THE SEMINAR

The Benefits of CSR Speak volumes about how important it is and why enterprises should make and effect to adapt it in the business. In the current scenario most of the Corporate Sectors have begun to embrace the philosophy that balance the pursuit of profit with commitment to the ethical conduct and Social responsibility, while CSR is relevant in business for all societies. It is particularly significant for developing country like India where sustainable development becomes more challenging. This state level seminar attempts to give a platform to deliberate the impact of business, impact of environment and impact of customer satisfaction connected with CSR in India.

State Level Seminar (15.02.2019)
Corporate Social Responsibility in India
Seminar Report

1. Name of the Convenor - Dr. S. Sivakumar
2. Name of the Organising secretary - Mr. M. Dhilip Kumar
3. Name & Address of the college - Aditanar College of Arts & Science
Virapandiapatnam
Tiruchendur – 628 216
4. Title of the Seminar "Corporate Social Responsibility in India"
5. Date - 15.02.2019
6. Total no. of Participants - Proposed 200
Attended 180
7. Total Amount Sanctioned - Rs. 7,000
8. Total Expenditure incurred in conducting the seminar :Rs.5108
9. Briefly mention about the technological/academic/ or any other benefit generated by conducting this seminar/conference/symposium with respect to a) the institution, b) the faculty, c) Students, d) industry/ society.
 - The students and the faculty have enriched their knowledge about this new topic namely "CSR in India"
 - The paper presentation session has given an opportunity to the students to present their papers in front of the research scholars and eminent professors.

21. One Day National conference on “Recent Advances in Applied Chemistry” (RAAC-2019) Organized by Department of Chemistry on 22.02.2019

<p style="text-align: center;">About the College</p> <p>Aditanar College of Arts and Science is the outcome of the vision and initiative of Thanthai S. Pa. Aditanar to provide quality education to the deprived and underprivileged section of the society. It was established in the year 1965 and affiliated to Manonmaniam Sundaranar University, Tirunelveli. Under the proficient guidance and untiring efforts of our respected Founder President, Padmashri Dr. B. Sivanthi Adityan, and his son President Thiru. S. Balasubramanian Adityan, the college has achieved great heights in the field of Academics, Sports and other Extra-Curricular Activities. Our college offers ten U.G., five P.G., five M.Phil. courses and four Ph.D. programs. The college was reaccredited with 'A' Grade in the third cycle by NAAC in 2015.</p> <p style="text-align: center;">About the Department</p> <p>The Department of chemistry was established in the year 1966. It offers B.Sc., Ph.D. programs and Certificate /Diploma courses in Soil Science and Agricultural Chemistry. It organizes innovative and relevant activities to the students regularly by conducting quiz competitions, guest lectures, industrial visits, etc. Our department is recognized as a Research Centre by Manonmaniam Sundaranar University, Tirunelveli to carry out the research works. Fifteen scholars have completed their Ph.D. degree in our Research Centre. The department has the state-of-art equipment necessary for curricular needs.</p>	<p style="text-align: center;">About the Conference</p> <p>RAAC-2019 is aimed at providing the platform to students, teachers, researchers and scientists to showcase their cogent findings and at the same time to get exposed to a useful array of research and latest developments. Objective of this conference is to bring together experts from academic institutions and research organizations for sharing their knowledge and experiences in the field of applied chemistry. This conference mainly focuses on learning about the design, discovery, delivery, disposition of new materials including medicinal compounds, polymers, plastics, pesticides, nanomaterials and many more with wide variety of applications.</p> <p style="text-align: center;">Submission of Abstracts</p> <p>The abstract (oral presentation) of about one page should be typed in MS-word using Times New Roman, font size 12' with single space. The name of the corresponding/presenting author should be marked with an (*). All abstracts should be submitted by email to ADRAAC2019@gmail.com as an attachment.</p> <p style="text-align: center;">Important Dates</p> <p>Abstract Submission : 18-02-2019 Abstract Presentation : 20-02-2019</p>	<p style="text-align: center;">One Day National Conference on Recent Advances in Applied Chemistry (RAAC-2019)</p> <p style="text-align: center; border: 1px solid black; padding: 2px;">22nd February, 2019</p> <div style="text-align: center;">  </div> <p style="text-align: center;">Organised by DEPARTMENT OF CHEMISTRY AND RESEARCH CENTRE Aditanar College of Arts & Science (The accredited in the Third Cycle with 'A' Grade by NAAC) Principal Aditanar College, Pandianpatnam - 628 216, Aditanar College of Arts and Science, Tiruchendur, Tamil Nadu. The Institution

Aditanar College of Arts and Science was established in the year 1965, by Thiru. S. P. Aditanar. The college is located in Virapandianpatnam near Tiruchendur, Tuticorin District, Tamil Nadu, India. The College is affiliated to Manonmaniam Sundaranar University, Tirunelveli. The College is re-accredited in the third cycle with A Grade by NAAC. The college offers twelve U.G courses including Zoology, Chemistry, Mathematics and Physics. It also offers 5 Post Graduate and 3 M.Phil. courses. Our college has four Research centers to carry out the research program (Ph.D). The college maintains high academic standards and provides quality education. It has taken up several UGC, DST and TNSCST (Tamil Nadu State Council for Science and Technology) funded projects.

Department of Zoology

Our Department of Zoology was started in the year of 1965 with PUC. The department was introduced Under Graduate (B.Sc.) Zoology course along with Botany and Chemistry as allied subjects from the year of 1978. The department is offering M.Sc. and M.Phil (Zoology) courses from 2010 and 2011 respectively. Our Department has reached another milestone that is Research Centre of Zoology during the year 2018, in affiliation with Manonmaniam Sundaranar University. All the faculties are well experienced and research oriented. The department conducted many training programs to students, research scholars, staff members, self-help groups (SHGs) and farmers through UGC, TNSCST and Zoo Outreach. The major research activities are Aquaculture, Bio-nanotechnology, Bio-fertilizers, Economic Entomology, Microbiology, Mushroom Technology, Pharmacology and Vermiculture etc. It has taken up various research projects funded by UGC, DST and TNSCST.

About the Bio-Comm & Fest 2019

The Department of Zoology cordially invites you to involve in Bio-Comm 2019. The program includes conferences that empower the knowledge on commercially important Bio Organism's Culture technology and its economical move on Global level. This gives a greater insight on value added products from different fauna and flora. The Bio-fest explores intercollegiate competitions such as paper presentation (Oral/Poster), Quiz, Pencil drawing, Art from Marine Resource, Face Painting, Mime, Elocution, Minutes to Win, Group Dance, Flower Arrangements and Essay Writing. All branches of Life science students are eligible to take part of these events. Kindly send the list of participants to mohanraj1@gmail.com on or before 06th March 2019.
