## FEEL Leadership

### Schedule

The Musk Deer searches far and wide for the source of its scent. Little realising that it comes from within itself.

This, in essence, is the goal of AIM INSIGHTS - an organisation helping people discover the 'Musk' in each of them by building self-esteem through non-correctional methods of training.

While building people towards success, we care very much for developing not only values, but also associated skills - Technical, Conceptual and Human Relations.

At AIM INSIGHTS we have a fundamental belief that the development of individuals leads to the refinement of society.

**About the College:**

Aditanar College of Arts and Science is the outcome of the vision and initiative of Tamilar Thanthai Si. Pa. Aditanar to provide quality education to the deprived and underprivileged section of the society. It was established in the year 1965 and is affiliated to Manonmaniam Sundaranar University.

Under the proficient guidance and untiring efforts of our respected Founder President, Padmashri Dr. B. Sivanthi Adityan, and his son President Thiru. S. Balasubramanian Adityan, the college has achieved great heights in the field of Academics, Sports and other Extra-Curricular Activities.

Our college offers 12 U.G. courses, 5 P.G courses, 5 M.Phil. courses and Ph.D. programmes in Economics, English, Chemistry and Zoology. UGC sponsored add-on courses are offered in Soil Science & Agricultural Chemistry and Medicinal Botany. The college was Re-accredited with 'A' Grade in the third cycle by NAAC.

**About the Science Exhibition:**

The aim of this ADITANAR-SCI- EXPO-2019 is to achieve holistic development. This is achievable with the pragmatic approach to education. Pragmatic approach imparts learning by doing and experiencing things.

**Objectives of ADITANAR-SCI-EXPO-2019 :**

- > To enhance student's interest in Science and Technology.
- > To overcome problems like global warming and pollution.
- > To find an alternative to plastic and use of water resources.
- > To develop a scientific spirit and curiosity to think and creatively find solutions to the challenges of the modern scientific world.
- > To experience learning through making the models with their own hands.

**Important Instructions:**

- > From each school 4 students can participate. Two students have to exhibit each project.
- > Three excellent Prizes will be given to projects with innovative ideas and good presentation.
- > Certificates will be issued to all the participants.
- > Refreshment and lunch will be provided for the participants.

<p><b>About our College</b></p> <p>Aditanar College of Arts and Science was established in 1965 by Thiru. Si. Pa. Aditanar to provide quality education to the deprived and underprivileged section of the society. Thanks to the philanthropy of Thiru. Si. Pa. Aditanar M.A., Bar-at-Law, his illustrious son Founder President Padmasree Dr. B. Sivanthi Adityan and his extraordinary grand son Thiru. S. Balasubramanian Adityan. The college is affiliated to Manonmaniam Sundaranar University, Tirunelveli and re-accredited by NAAC with an 'A' grade in the third cycle of reaccreditation. The college offers eleven Under Graduate Programme, five PG M.Phil., and Ph.D., programme.</p> <p>The college has sponsored several sports tournaments. To enrich the literacy and cultural talents of the students, various literacy and cultural clubs are functioning in our college.</p> <p>Several major and minor research projects sponsored by UGC, DST and TNSCST have been done by our staff members. The “Sivanthi Community Radio” (90.4 MHz) is approved by the Ministry of Information and</p>	<p>Broadcasting, Government of India, New Delhi broadcasts from our college.</p> <p><b>About our Department</b></p> <p>The Department of Mathematics was established in 1966 and it was elevated as Post Graduate Department in 1980. M.Phil., programmes were introduced in 1985 and the Department was upgraded as a Research Centre in 2006.</p> <p>The Department has highly qualified faculty members who are actively engaged in teaching, research and continuing education programme. The members have published and presented many research papers in National and International journals and conferences. Presently four of our faculty members are approved Research Supervisors.</p> <p><b>Objective of the Seminar</b></p> <p>The objective behind organising this seminar is to develop greater understanding of new findings and to enrich knowledge and skills. This seminar highlights the latest results in the fields of Algebra and Topology. It also gives an opportunity to young researchers for a fruitful discussion, interaction and to get motivation to carryout research in these fields.</p>	<p><b>Call for Papers :</b></p> <p>We invite original research papers from Academics, scholars and students in recent research areas in Mathematics. Interested participants are requested to submit their abstract through e-mail: aditanarmaths@gmail.com pasunkilipandian@yahoo.com</p> <p>We have planned to bring out the proceedings of the seminar. Last date for submission of Abstract : 10.08.2019</p> <p><b>Registration Fee :</b> <b>Participation Rs.200/-</b> <b>Presentation Rs. 300/-</b></p> <p>★ Tea &amp; Lunch will be provided ★ No TA/DA will be provided ★ Registration through email is mandatory.</p> <p>For Registration kindly mail to aditanarmaths@gmail.com</p>	<p><b>NATIONAL LEVEL SEMINAR ON EMERGING TRENDS IN PURE MATHEMATICS (ETPM '19)</b></p> <p><b>19<sup>th</sup> August, 2019</b></p> <p><b>REGISTRATION FORM</b></p> <ol style="list-style-type: none"> <li>1. ## REPORT OF NATIONAL LEVEL SEMINAR ON "EMERGING TRENDS IN PURE MATHEMATICS"

National Level Seminar on "Emerging Trends In Pure Mathematics"- ETPM'19 was organized by the department of Mathematics of Aditanar College of Arts and Science, Tiruchendur on 19th August 2019.

The distinguished speakers are Dr.A.Joseph Kennedy, Associate Professor, Department of Mathematics, Pondicherry University, Pondicherry and Dr.B.Meera Devi, Assistant Professor, Department of Mathematics, Sri S. Ramasamy Naidu Memorial College, Sattur.

In the Inaugural session, Dr.S.Pasunkilipandian, Head & Associate Professor of Mathematics and Convener of this seminar welcomed the gatherings. The Presidential address was given by Dr.D.S.Mahendran, Principal of the college and he released the Proceedings of this seminar. Dr.A.Joseph Kennedy delivered the key note address. Dr.M.J.Jeyanthi, Assistant Professor of Mathematics and Organizing Secretary of this seminar proposed the vote of thanks.

In the first technical session, Dr. A.Joseph Kennedy gave an excellent idea about the representations of Algebras. In the second technical session, Dr.B.Meera Devi explained the concept of generalized closed sets in topological spaces.

Dr.D.Jeyabalan Kennedy, Associate Professor & Head, Department of Mathematics, Nazareth Margoschis College, Nazareth acted as chair person for the paper presentation event. 17 participants presented their papers on Topology, Graph theory, Algebra and Operations Research.

Dr. B.Meera Devi delivered the Valedictory address and distributed the certificates to the participants from various colleges.

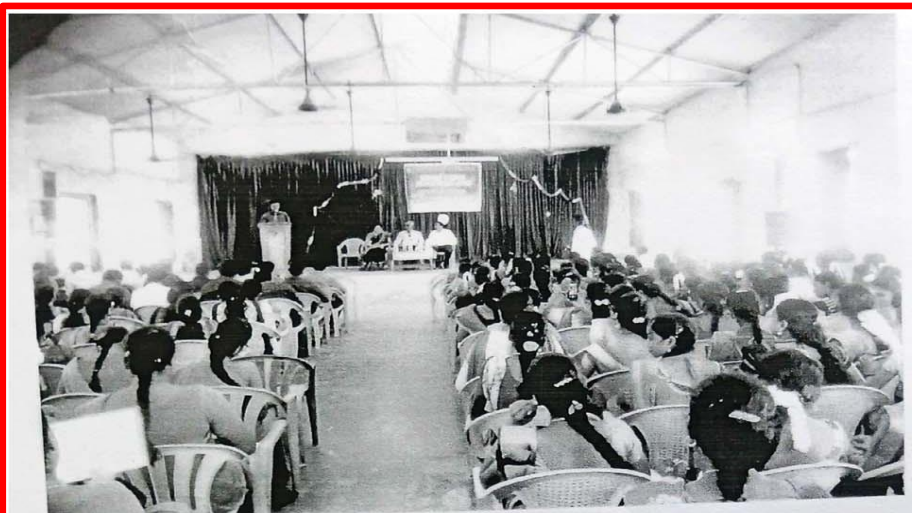

Totally 141 participants including faculties, research scholars and PG & UG students from various Colleges and 65 students of our department were attended the National Seminar. It was highly useful for all the participants and the outcome of the seminar was fruitful. The function was a grand success and ended with National Anthem.

<p><b>The Institution</b></p> <p>Aditanar College of Arts and Science was established in the year 1965, by Thiru. SL Pa. Aditanar. The college is located in Virapandianpatnam near Tiruchendur, Tuticorin District, Tamil Nadu, India. The College is affiliated to Manonmaniam Sundaranar University, Tirunelveli. The College is re-accredited in the third cycle with A Grade by NAAC. The college offers twelve UG courses including Zoology, Chemistry, Mathematics and Physics. And also offers Post Graduate and M.Phil. Our college has many Research centers to carry out the research program (Ph.D). The college maintains high academic standards and provides quality education. It has taken up several UGC, DST and TNSCST (Tamil Nadu State Council for Science and Technology) funded programs and projects.</p> <p><b>Department of Zoology</b></p> <p>Department of Zoology was started in the year of 1965 as PUC. The department has introduced (B.Sc) Zoology course along with Botany and Chemistry as allied subjects from the year of 1978. And it is offering M.Sc and M.Phil (Zoology) courses from 2010 and 2011 respectively. Our Department has reached another milestone that is Research Centre of Zoology on 2018, in affiliation with Manonmaniam Sundaranar University, Tirunelveli, India. All the faculties are well experienced and research oriented. The department conducted many training programs to students, research scholars, staff members, self-help groups (SHGs) and farmers through UGC, TNSCST and Zoo Outreach. The major research activities are Aquaculture, Nanotechnology, Economic Entomology, Mushroom, Pharmacology and Vermiculture etc. It has taken up various research projects funded by UGC, DST and TNSCST.</p> <p><b>Objective of the Seminar</b></p> <ul style="list-style-type: none"> <li>♦ To know the wide knowledge of animal sciences</li> <li>♦ To explore the technological possibilities animal sciences</li> <li>♦ To familiarise the participants with the modern trends in Animal Sciences</li> <li>♦ To identify the basic and advanced skills in Animal Sciences with biotechnology</li> </ul>	<p><b>About the Seminar</b></p> <p>The importance of the seminar is animal sciences with a promising future for its followers and developers. The development of new theories and research findings increases the excitement of this subject day by day. As the caption says the “Recent Developments in Animal Sciences – RDAS - 2019” is a wide scientific platform will bring researchers and academicians of various animal sciences subdivision covering taxonomy, physiology, immunology, molecular biology, biochemistry, genetics, ecology, entomology, aquaculture, biological diversity and its conservation etc. This seminar will further help in raising future direction of animal science as well as research in different fields and matching this with the job market. The lecture topics of the seminar will provide an opportunity for both students and faculty to interact with the scientists/academicians from other institutions and encourage students to involve in scientific discussion by asking questions.</p> <p>Department of Zoology strives to promote all round development of students by inculcating spirit of inquest, discipline and adventure. In this context we would like to bring all who involved in the Animal Sciences research under one umbrella by organizing a National Seminar for the making a platform to present and interact their research findings.</p> <p><b>Registration</b></p> <p>The registration form for the seminar is attached in the brochure. Registration form should be filled with particulars and sent to organizing secretaries. Participants are expected to send duly filled in registration form to Organizing Secretaries via mail and phone.</p> <p><b>Registration Fee</b></p> <p>Students (UG &amp; PG) : Rs. 150 /- per participant Research Scholars &amp; Faculty: Rs. 200 /- per participant Refreshments and Lunch will be provided <b>Last date for registration is 20th August 2019.</b> Spot registration is also accepted with prior intimation.</p>	<p><b>Program schedule</b></p> <p>9.30 - 10.00am Registration</p> <p>10.00 - 10.45am Inauguration</p> <p><b>Technical Session I</b></p> <p>Tea Break</p> <p><b>Technical Session II</b></p> <p>Lunch 1.00 - 2.00 pm</p> <p><b>Technical Session II</b></p> <p>Tea Break</p> <p><b>Technical Session III</b></p> <p>Valedictory Function - 4.00 pm onwards</p> <p style="text-align: center; border: 1px solid black; padding: 2px;">Resource Persons</p> <ol style="list-style-type: none"> <li>1. ## **"National Seminar on Recent Development in Animal Sciences-RDAS-2019"**

### **Seminar Report**

Department of Zoology and Research Centre of Aditanar College of Arts and Science has organized a one day "National Seminar on Recent Developments in Animal Sciences – RDAS – 2019" on August 22<sup>nd</sup> 2019 at indoor auditorium

The seminar was inaugurated at 10.00 am. Dr. C. Sundaravadivel, Associate Professor and Head, Department of Zoology and Research Centre welcome the gatherings. Dr. D.S. Mahendran, Principal of Aditanar College of Arts and Science delivered the presidential address. Dr. S. Ezil Vendan, Scientist, Food Protection and Infestation Control, CSIR-Central Food Technological Research Institute (CFTRI), Mysuru, Karnataka was delivered a key note address and also given the first technical session to the participants. Vote of thanks for the inaugural session was delivered by one of the organizing secretary Dr. P. Arockia Mary Fernandez, Assistant Professor, Department of Zoology and Research Centre of our College.

Followed by tea break the second technical session was started at 11.30 am. The session was handled by Dr. S. Sathesh Kumar, Associate Professor and Head, Department of Veterinary Gynecology and Obstetrics, Veterinary College and Research Institute, Tirunelveli. He delivered a talk on "The Advances in Animal assisted Reproductive Biotechnology". In his talk he explained the intra uterine embryo transplantation of animals and its importance. He also enlightens the artificial insemination in animals.

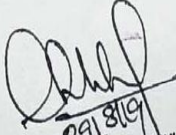

After lunch break the third technical session was started at 1.45 pm. The session was handled by Dr. R. Sri Priya, Assistant Professor, Department of Zoology, St. Mary's College, Thoothukudi. She elaborately spoke about the "Transgenic Animals" especially transgenic mouse and transgenic fish. She also interacted to the participants about the Bioluminescence.

The fourth session was handled by Dr. S. Ezil Vendan, Scientist, Food Protection and Infestation Control, CSIR-Central Food Technological Research Institute (CFTRI), Mysuru, Karnataka. His talk is about "Food Protection and Insect Pest Control: Current Scenario and Future Perspectives". During his talk he briefly spoke about the storage of the harvested food materials without affecting by the insect pest. He also talks about what are all the effective

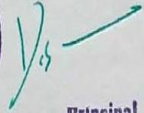

control measures were developed by them to control the pest during the food harvesting as well as storage.

After the final session the student participants from various colleges gave their feedback about the seminar. Certificates to the participants were distributed by our respected Principal. Vote of thanks was delivered by one of the organizing secretary Dr. D. Vasumathi, Assistant Professor, Department of Zoology and Research Centre of our College.

A total of 75 under graduate, 13 post graduate and 1 M.Phil., Scholar from our college and 50 students, 3 research scholars and 11 faculty members from twelve different institutions (Govindammal Aditanar College, Pope's College, Margoschis College, VOC College, APC College, M.S.S. Wakf Board College, Sarah Tucker College, Vivekananda College, Kamaraj College, VHNSN College, SBK College, Sourashtra College) have participated in this seminar.

<p><b>The Institution and the Department</b> Aditanar College of Arts and Science was established in the year 1965, by Thiru.S.B. Aditanar and Padmashree Dr.B.Sivanthi Aditanar was the President of the College Committee from its inception to April 2013. Thiru S. Balasubramanian Adityan is the President of our college from 2013 onwards. The College is located in Virapandianpatnam near Tiruchendur, Tamilnadu. It is affiliated to Manonmaniam Sundaranar University, Tirunelveli and is re-accredited by NAAC with 'A' grade in the third cycle. The College has 12 U.G programmes including Physics, Mathematics, Computer Science and P.G &amp; M.Phil. programmes in Mathematics, Chemistry, Zoology, English, Economics and also offers Ph.D programmes. UGC-sponsored add-on courses are offered in Soil Sciences, Medicinal Botany and Sericulture. The college maintains high academic standards and provides quality education. It has taken up several UGC, DST and TNSCST sponsored research projects. The Department of Physics offers Physics main for the past 38 years. The faculty is well experienced, research oriented and has taken up many research projects. The department has successfully run a few science popularization schemes with aid from TNSCST. The department is also carrying out science popularisation activities sponsored by college management.</p>	<p>Crystal Growth Centre was established in the department of Physics of our college in 2003 to carry out research activities in the field of crystal growth and nanotechnology. Some of the instrumental facilities available in the centre are constant temperature bath, microwave oven, temperature-controlled furnace, two probe arrangement, pelletizer, centrifuge, LCR meter, electronic balance, pH meter, Abbe's refractometer, magnetic stirrer, melting point apparatus, internet facility etc. Faculty members and students of our and nearby colleges are using the facilities available in the centre to carry out their research works.</p> <p><b>Objectives of the Conference</b> The conference is aimed at bringing together scientists, teachers, research scholars and students who are interested in materials science. The objectives of the conference are (i) To provide a common forum for scientists, technologists, research scholars, teachers and students to interact and exchange the latest developments in the area of advanced materials. (ii) To create research awareness and motivation among faculty members and students. (iii) To impart an insight and in-depth knowledge of crystal growth, nanotechnology and other relevant topics in materials science. <p><b>The Institution and the Department</b></p> <p>Aditanar College of Arts and Science was established in the Year 1965, by SI.Pa. Aditanar to provide quality education to the deprived and under-privileged section of the society. Thanks to the philanthropy of Thiru.Si.Pa. Aditanar M.A., Bar-at-Law, his illustrious son Founder President Padmashree Dr. B. Sivanthi Adityan and his extraordinary grandson Thiru. S. Balasubramanian Adityan. The college is affiliated to the Manonmaniam Sundaranar University, Tirunelveli and re-accredited by NAAC with an 'A' grade in the third cycle of reaccreditation.</p> <p>The college offers twelve Under Graduate programmes, five PG programmes and five M.Phil. programmes (Economics, English, Mathematics, Chemistry and Zoology). The research centre in Economics, English, Chemistry and Zoology offer Ph.D. programme. To enrich the literacy and cultural talents of the students, various literary and cultural clubs are functioning in our college. Several major and minor research projects sponsored by UGC, DST and TNSCST have been taken by our staff members. The Sivanthi Community Radio (90.4 MHz) approved by the Ministry of Information and Broadcasting, Government of India, New Delhi broadcasts from our college.</p> <p>The PG Department of Chemistry was established in the year 2003 with M.Sc. Chemistry Programme. Subsequently M.Phil. Chemistry was started in 2007. The department has separate Analytical Laboratory for M.Sc. and M.Phil. Chemistry with all fundamental requirements. Recently</p>	<p>a separate computer lab with internet facility is set up in the department. II M.Sc. and M.Phil. Chemistry students are doing Academic project in the thrust areas like Nanotechnology, Green Chemistry, Electrochemistry and Environmental Chemistry.</p> <p><b>Aim of the Conference</b></p> <p>This conference mainly focuses on the recent developments in bioinorganic chemistry at the interfaces of various fields such as chelating drugs, medicine, bio-ceramic materials and tissue engineering etc. Hence, the conference will motivate the young researchers for higher learning and thirst for innovative research in the area of</p> <ul style="list-style-type: none"> <li>♦ Bio-inorganic materials</li> <li>♦ Pharmaceutical chemistry</li> <li>♦ Environmental chemistry</li> <li>♦ Nano materials</li> <li>♦ Photochemistry</li> <li>♦ Green organic synthesis</li> </ul> <p><b>Registration and Submission of Abstracts</b></p> <p>Spot registration is allowed. Registration fee includes cost of conference kit, lunch and refreshments. No TA/DA will be provided. We have planned to bring out the abstracts in the conference proceedings. The participants are invited to submit their abstracts (Original Research) of about one page [1.5 line spacing and 12 font size in Times New Roman]. It should contain title, name and address of the authors (presenting author should be underlined). All abstracts should be submitted through email (<a href="mailto:aditanarpgchemistry@gmail.com">aditanarpgchemistry@gmail.com</a>) as an attachment file.</p>	<p><b>Important Dates</b></p> <p>Last date for submission : 14-09-2019 Acceptance of abstract : 16-09-2019</p> <p><b>Registration Fee</b></p> <table border="0"> <tr> <td>Students and Research scholars</td> <td>Rs. 200/-</td> </tr> <tr> <td>Faculty Members</td> <td>Rs. 250/-</td> </tr> </table> <p><b>PROGRAMME</b></p> <p><b>19.09.2019 Thursday</b></p> <p>Venue : Indoor Auditorium Registration : 9.15 am - 10.00 am Inaugural Function : 10.00 am</p> <p><b>Welcome Address :</b> <b>Mrs. N. STATE LEVEL CONFERENCE ON RECENT DEVELOPMENTS IN THE  
APPLICATIONS OF BIOINORGANIC CHEMISTRY

(RDABC – 19<sup>th</sup> September 2019)

A "One day state level conference on "Recent Developments in the Applications of Bioinorganic Chemistry" was conducted on 19<sup>th</sup> September 2019 at Aditanar College of arts and science, Tiruchendur. Mrs. N. Kohila, Head, Assistant Professor, Department of P.G. Chemistry, gave the welcome address and our College Principal in charge **Dr. S. Narayana Rajan, M.B.A., Ph.D.**, gave the presidential address. Our College secretary **Dr. S. Jeya Kumar, M.Sc., M.Phil., Ph.D.**, and **Dr. S. Anbarasan, M.Sc., M.Phil., P.G.D.C.A., Ph.D.**, Associate Professor and Head, Research and UG Department of Chemistry gave the felicitation address. **Dr. N. Raman, M.Sc., Ph.D.**, Associate Professor of Chemistry, V.H.N.S.N. College, Virudhunagar, delivered the inaugural address. **Mrs. P. Muhambihai**, Assistant Professor of P.G. Chemistry, Aditanar College of Arts and Science propose a vote of thanks. **Dr. N. Raman, M.Sc., Ph.D.**, Associate Professor of Chemistry, V.H.N.S.N. College, Virudhunagar delivered an invited talk on "Transition Metal Based Anticancer agents", **Dr. M. Rajan, M.Sc., Ph.D.**, Assistant Professor of Chemistry, Department of Natural Product of Chemistry, School of Chemistry, Madurai Kamaraj University, Madurai delivered an invited talk on "Polymeric and Bio-ceramic material Applications in tissue Engineering". Oral and Poster Presentation was conducted in the afternoon session and two prizes for best presentation awards are given by our chief guest **Dr. N. Raman, M.Sc., Ph.D.**, Associate Professor of Chemistry, V.H.N.S.N. College, Virudhunagar and **Dr. M. Rajan, M.Sc., Ph.D.**, Assistant Professor of Chemistry, Department of Natural Product of Chemistry, School of Chemistry, Madurai Kamaraj University, Madurai. Valedictory address was given by **Dr. M. Rajan, M.Sc., Ph.D.**, Assistant Professor of Chemistry, Department of Natural Product of Chemistry, School of Chemistry, Madurai Kamaraj University, Madurai. Finally the participation certificates were distributed to the participants by the chief guests and Principal in charge of our College. In the final session, **Mr. R. Rajkumar**, Assistant professor of P.G. Chemistry, propose a vote of thanks.

<p><b>Dear Sir/Madam,</b></p> <p>The Department of Commerce, Aditanar College of Arts &amp; Science, Tiruchendur invites your presence and intellectual discussion in the state level seminar on Green Entrepreneurship - Why Now &amp; What Next at Indoor Auditorium on 24<sup>th</sup> September, 2019.</p> <p><b>About the college:</b></p> <p>Aditanar College of Arts and Science was established in the year 1965 by Thiru. S.Pa. Aditanar to provide quality education to the deprived and underprivileged section of the society. Thanks to the philanthropy of Thiru. S.Pa. Aditanar M.A., Bar-at-Law, his extraordinary grand son Thiru. S. Balasubramanian Adityan. The College is affiliated to the Manonmaniam Sundaranar University, Tirunelveli and re-accredited by NAAC with an 'A' grade in the third cycle of re-accreditation. The college offers Eleven Under Graduate Programmes, Five PG, M.Phil. and Four Ph.D., programmes (Economics, English, Chemistry and Zoology). The college has sponsored several sports tournaments. To enrich the literary and cultural talents of the students, various literary and cultural clubs are functioning in our college. Several major and minor research projects sponsored by UGC, DST and THSCST have been done by our staff members. The "Shankar Community Radio" (90.4 MHz) is approved by the Ministry of Information and Broadcasting, Govt. of India, New Delhi broadcasts from our college.</p> <p><b>About the Department:</b></p> <p>Our department was established in the year 1981 and offers under graduate degree course in commerce. The first gold medalist in commerce of Manonmaniam Sundaranar University was produced by our department. In the batch 2016 - 19 two students got a distinction from Manonmaniam Sundaranar University, Tirunelveli.</p> <p>The department has conducted a UGC sponsored state level seminar during the academic year 2011-12. In August 2013, the department organised the National Level Seminar on CRM in commercial Banks in the Era of Globalization. In 15th February 2019 the department organised state level seminar on Corporate Social Responsibility in India.</p> <p><b>About the Seminar</b></p> <p>Entrepreneurship is considered as a way to stimulate</p>	<p>job growth and economic stability. But in recent years, entrepreneurship is increasingly considered as a significant channel for bringing in a transformation to sustainable products and processes. As it is well known, that unemployment is a major challenge to the Indian economic development, which has been facing a tremendous wave of Positive force from different fields and entrepreneurship is one of such the endeavours in curbing unemployment. In the rural area, the employment potential in the agricultural economic system also appears to have arrived at a saturation level leading to large-scale migration of population from rural regions to urban regions, adding excessive pressure on civic infrastructure. All to these prevailing circumstances curved out the need for promoting self-employment ventures among the unemployed population in India. It is quite obvious that everyone willing to start their business as an independent entrepreneur may not sustain successfully in this competitive arena. It is therefore, important to underline that entrepreneurial skills that can help the youth to adapt well to other non-entrepreneurial careers. Entrepreneurship holds to bring sustainable growth and provide ample opportunities to utilise the existing resources and disseminate the scope of entrepreneurial development.</p> <p><b>Objectives of the Seminar</b></p> <ol style="list-style-type: none"> <li>1. To generate policy, programme and institutional recommendations which will encourage innovations in entrepreneurial research and practice.</li> <li>2. To disseminate the outcomes as widely as possible among communities of academicians, researchers, entrepreneurs and investors globally.</li> <li>3. To draw road map for the investors to find out new investment opportunities in entrepreneurial sector.</li> <li>4. To provide a platform for a diverse range of leading investors, researchers, scholars, business persons or entrepreneurs to come up with their research findings, analyses, expert opinions and experiences.</li> </ol> <p><b>Sub Themes:</b></p> <ul style="list-style-type: none"> <li>Entrepreneurship: Perspectives &amp; Practices</li> <li>Micro, Small and SHGs</li> <li>Ethics and Entrepreneurship</li> </ul>	<ul style="list-style-type: none"> <li>Innovation and Entrepreneurship</li> <li>Social Entrepreneurship &amp; CSR</li> <li>Entrepreneurship in the SME Sector</li> <li>Start-ups, Incubators, Accelerators</li> <li>Role of ICT in Sustainable Development</li> <li>Role of Bio-diversity in Sustainable Development</li> <li>Green entrepreneurship Start-Ups and New Business Ventures</li> <li>Sectoral Entrepreneurship</li> <li>Agripreneurship, Edupreneurship, Technopreneurship, Digital Entrepreneurship, Green Entrepreneurship, Health Entrepreneurship, Tourism Entrepreneurship, etc.</li> </ul> <p><b>Call for papers:</b></p> <p>Intellectual contribution from students, research scholars, faculty members and business executives are invited. About the College		About the Workshop		PROGRAMME	
Aditanar College of Arts and Science was established by Thiru. St. Pa. Aditanar in the year 1965. It is located in Virapandianpatnam village of Tiruchendur Taluk in Thoothukudi District of Tamil Nadu on the seashore between Thoothukudi and Kanyakumari. Under the proficient guidance and untiring efforts of our respected Founder President, Padmashri Dr. B. Sivanthi Adityan, and his son President Thiru. S. Balasubramanian Adityan, the college has achieved great heights in the field of Academics, Sports and other Extra-Curricular Activities. The college has been reaccredited in the third cycle with 'A' Grade by NAAC.		and 2007 respectively. The Department was upgraded as a research centre in the year 2008. UGC sponsored Certificate and Diploma courses in Soil Science and Agricultural Chemistry are also offered. Many UGC sponsored research projects have been undertaken in the Department. National seminars are organized by the Department. Students are also encouraged to participate actively in various academic related activities.		<b>25.09.2019, Wednesday</b> Venue : Indoor Auditorium 09.30 - 10.00 am : Registration 10.00 - 10.30 am : Inauguration 10.30 - 10.45 am : Tea Break 10.45 - 01.00 pm : Practical Session 1 (Chemistry Lab) 01.00 - 01.30 pm : Lunch 01.30 - 03.00 pm : Practical Session 2 (Chemistry Lab) 03.00 - 03.15 pm : Tea Break 03.15 - 04.00 pm : Valediction	
Our college offers 12 U.G., 5 P.G. and 5 M.Phil. courses and Ph.D. programs in Economics, English, Chemistry and Zoology. UGC sponsored add-on courses in various streams are also offered. The college maintains high academic standards and provides quality education.		<b>“Chemistry in Miniature”</b> is a new approach to carry out chemistry experiments using miniature lab ware and significantly reduced amounts of chemicals. In this workshop, hands-on training will be provided to the academic communities in using reduced amounts of chemicals and miniature lab wares in the following areas: * Organic analysis * Filtration without filter paper with a microscale preparation * Microscale qualitative analysis * One two burette titration * Organic mixture separation without solvent with minimal ether		<b>Inaugural Address</b> Dr. D. S. Mahendran Principal <b>Practical Session 1 &amp; 2</b> Dr. S. Murugan Head (Retd) Department of Chemistry S.T. Hindu College Nagercoil	
<b>About the Department</b> The UG course in Chemistry was started in the year 1969. The PG and M.Phil. courses were started in the year 2003

<p>Dear Sir/ Madam,</p> <p style="text-align: center;"><b>Greetings!</b></p> <p>Our Department of PG Zoology, Aditanar College of Arts &amp; Science, Tiruchendur welcomes your presence and intellectual sharing in the State level seminar on “Exemplary Lifestyle and Human Health” to be held on 26 September 2019.</p> <p style="text-align: center;"><b>About the College</b></p> <p>Aditanar College of Arts &amp; Science was established in the year 1965, by Thiru. Sl. Pa. Aditanar MA., Bar-at-Law to provide quality education to the deprived and underprivileged sections of the society. His illustrious son Padmeshree Dr. B. Sivanthi Aditanar was the President of the college committee from its inception to April 2013. His extraordinary grandson Thiru. S. Balasubramanian Adityan is the President of our college from 2013 onwards. The college is located in Virapandianpatnam village of Tiruchendur Taluk, Thoothukudi Dist, Tamil Nadu. The college is affiliated to Manonmaniam Sundaranar University, Tirunelveli and is re-accredited by NAAC with 'A' grade in the third cycle of reaccreditation. The college offers twelve UG programmes, five PG and M.Phil programmes in English, Economics, Mathematics, Chemistry and Zoology. The research centers in English, Economics, Mathematics, Chemistry and Zoology offer PhD programmes. Several UGC, DST and TNSCTC sponsored research projects have been taken by our staff members. To enrich the literacy and cultural talents of the students, various literacy and cultural clubs have been functioning in our college. Our college is operating 'Sivanthi Community Radio' at the frequency of 90.4MHz with the approval from the Ministry of Information and Broadcasting, Govt. of India, New Delhi. The college maintains high academic standards and provides quality education.</p>	<p style="text-align: center;"><b>About the Department</b></p> <p>The Department of PG Zoology was established in the year 2011 with M.Sc. Zoology programme. Subsequently M.Phil. Zoology was started in 2013. Every year our students get university ranks, totally 11 ranks including 3 Gold Medals received so far.</p> <p style="text-align: center;"><b>Objectives of the seminar</b></p> <ul style="list-style-type: none"> <li>❖ To enhance knowledge about the lifestyle diseases</li> <li>❖ To create awareness and explore the challenges in human health</li> <li>❖ To intimate the life-threatening diseases and provide remedial measures</li> <li>❖ To discuss the environmental hazards related to human health and to protect our environment</li> </ul> <p style="text-align: center;"><b>Registration Details</b></p> <p>Both UG &amp; PG students, Research Scholars and Faculties from Zoology, Botany and any branches of Life Science are invited to participate in the seminar.</p> <p>Registration fee Rs. 150/- per participant.</p> <ul style="list-style-type: none"> <li>❖ Spot Registration also accepted with prior intimation</li> <li>❖ Lunch and Refreshment will be provide</li> <li>❖ No TA/DA for the participants</li> </ul> <p style="text-align: center;"><b>Competition Details</b></p> <p>Theme: Any topic related to Human Health, Hygiene, Environmental Hazards and Lifestyle.</p> <ul style="list-style-type: none"> <li>❖ UG &amp; PG Students only allowed for the competition.</li> <li>❖ Each competition Two prizes will be awarded at the time of the valedictory function.</li> </ul> <p>1. <b>Poster Presentation</b> – Participants will come with already prepared posters and display at the time of competition. **The Institution and the Department**

Aditanar College of Arts and Science was established in the year 1965 by St. Pa. Aditanar. The College is located in Virapandianpatnam Village of Tiruchendur Taluk, Thoothukudi District, Tamil Nadu on the East Coast and is situated at 48.30 north of Tutiocore and 90 KM north of Kanyakumari. The College is affiliated to Manonmaniam Sundaramur University Tirunelveli. The College is Re-accredited in the third cycle with 'A' Grade by NAAC. The college offers Twelve U.G. programmes including Business Administration and Computer Science. Post-graduate programmes in Mathematics, English, Economics, Chemistry, Zoology and M.Phil and Ph.D., Programmes in English, Economics, Chemistry and Zoology are offered. UGC Sponsored add-on courses are offered in soft science, Medical Biometry and Sociobiology. The college maintains high academic standards and provides quality education. The college has taken up several UGC, DIT and Tamil Nadu State Council for Science and Technology (TNSCT) sponsored research projects. The department of computer science offers B.Sc (Computer Science), for the past 31 years. The faculty is well experienced and research oriented. The Department conducted number of Training programmes for Panchayat Presidents and Government Employees. The department also conducted a few Seminars, Work Shops and computer Technical competitions.

**Objectives of the Conference**

The conference is aimed at bringing together scientists, teachers, research scholars and students who are interested in the cognitive science, human computer interaction.

The objectives of the conference are

- To provide a common forum for scientists, technologists, research scholars, teachers and student to interact and exchange the latest developments in the area of cognitive science.
- To create research awareness and motivation among faculty members and student.
- To impact a Cognitive scientists study intelligence and behavior, with a focus on how nervous systems represent, process, and transform information.
- Human computer interaction (HCI) is a multidisciplinary field of study focusing on the design of computer technology and, in particular, the interaction between humans (the users) and computers. While initially concerned with computers, HCI has since expanded to cover almost all forms of information technology design.
- To enable the faculty and student to carry out the research in the area of cognitive science

**Dear Sir / Madam,**  
The Department of Economics, Aditanar College, Tiruchendur invites your presence and intellectual discussion in the One day National Level seminar on “Indian Economy : Current Issues and Remedial Measures” on 16<sup>th</sup> October 2019 (Wednesday)

**About our College**  
Aditanar college of Arts and Science was established in the year 1965 by Thiru. S.Pa. Aditanar to provide quality education to the deprived and underprivileged section of the society. Thanks to the Philanthropy of Thiru. S. Pa. Aditanar M.A., Bar - at - Law, his illustrious son Founder President Padmaashree Dr. R. Sivanthi Adityan and his extraordinary grand son Thiru. S. Balasubramanian Adityan. The college is affiliated to the Manonmaniam Sundaranar University, Tirunelveli and re - accredited by NAAC with an 'A' grade in the third cycle of reaccreditation. The college offers eleven Under graduate programmes: five P.G., M.Phil. (Economics, English, Maths, Chemistry and Zoology) and four Ph.D programmes (Economics, English, Chemistry, Zoology).

**About our Department**  
The Department of Economics was started in 1965 and it was elevated as Post Graduate Department in 1982. M.Phil programme was introduced in 1986 and the Department was upgraded as a Research centre in 1996.

In 1985 and 2011, the Department organized the Annual Conference of Association of Economists of Tamilnadu (AET). The Department periodically organizes workshops and seminars on Research Methodology, Quantitative Techniques and Current Issues in Indian Economy. In August 2018, the Department organized the one day International seminar on Public Debt in Tamilnadu and also in January 2019, the

Department organized the one day state level seminar on “Infrastructure and Economic Development of India”

**About the seminar**  
India is characterized as a market oriented developing economy. After 1991, India achieved 6-7 per cent average GDP growth annually. It was due to the reforms in Indian economy. As the World's largest democracy with the third largest economy in real terms, the fastest growing working age population and a rapidly developing financial system India seeks to join the \$5 trillion economic group. Therefore India is emerged as a most important part in the global economy. Recently the National level economic initiatives and financial reforms such as demonetization, implementation of the GST and PMJDY programmes. While we defying about the structural adjustment and financial reforms, the industrial output posing subdued growth and the automobile sales touching historical low. The growth rate slowed to 5 per cent in the April - June quarter, which is lower than the expected growth. This downfall due to combination of structural and cyclical factor, in addition to global uncertainties. To overcome the subdued growth in India, the RBI has taken growth oriented steps and the Union government fueled by government spending and reduced the corporate tax. In this turmoil of Indian Economy the Department of Economics, Aditanar College has planned to organize a National Level seminar on “Indian Economy : Current Issues and Remedial Measures”. We hope this seminar will provide a platform for exchanging innovative ideas to understand and overcome the current issues in Indian Economy. The themes of the seminar are:

1. GDP growth in India
2. Export and Indian Agriculture
3. Farmer Insurance Scheme
4. Slowdown of Industrial Development
5. Slowdown in Automobile Industry
6. Loss making PSUs
7. Stagnation in Foreign trade
8. Revision in the corporate tax rate
9. Recent changes in the Monetary policy
10. Demographic problems in India
11. Rising trend in gold price
12. Volatility of share market

The above list is only an illustrative, we welcome any quality research papers related to the main theme of the seminar.

**Call for papers**  
Papers on the theme of the seminar are invited from faculty members, research scholars and students in Economics, Commerce and Management and other related disciplines on or before 14.10.2019 (Monday) by email or courier or post (E-mail Id: aditanarecodept@gmail.com)

**Guidelines for paper presentation**

<p>Dear Sir/Madam</p> <p>Greetings</p> <p>The Department of Economics, Aditanar College, Tiruchendur and Golden Palm Petroleum Services Co. W.L.L., Kuwait have jointly invited your presence and intellectual discussion in the National level Seminar on “Centre - State Financial Relations in India with special reference to Tamil Nadu” on 11<sup>th</sup> March 2020 (Wednesday).</p> <p><b>About the College</b> Aditanar College of Arts and Science was established in the year 1965 by Thiru Si. Pa. Aditanar to provide quality education to the deprived and underprivileged section of the society. Thanks to the philanthropy of Thiru Si. Pa. Aditanar M.A., Bar-at-Law, his illustrious son Founder President Padmaswree Dr. B. Sivanthi Adityan and his extraordinary grandson Thiru S. Balasubramanian Adityan. The college is affiliated to the Manonmaniam Sundaranar University, Tirunelveli and re-accredited by NAAC with an 'A' grade in the third cycle of reaccreditation.</p> <p>The College offers Eleven Undergraduate programmes, five PG programmes and five M.Phil. programmes (Economics, English, Mathematics, Chemistry and Zoology). The Research Centre in Economics, English, Chemistry and Zoology offer Ph.D. programme.</p> <p><b>About the Department</b> The Department of Economics was started in 1965 and it was elevated as Post Graduate Department in 1982. M.Phil. programme was introduced in 1986 and the Department was upgraded as a Research Centre in 1996.</p>	<p>In 1985 and 2011, the Department organised the Annual Conference of Association of Economists of Tamilnadu (AET). The Department periodically organises workshops and seminars on Research Methodology, Quantitative Techniques and Current Issues in Indian Economy. In August 2018, the Department organized the one day symposium seminar on “Public Debt in Tamil Nadu”. In January 2019, it organized one day State level seminar on “Infrastructure and Economic Development of India” and also in October 2019, it organized the one day National level seminar on “Indian Economy: Current Issues and Remedial Measures”.</p> <p><b>About the Seminar</b> Centre - State fiscal relations and the relative spheres of activities of the two levels of the government constitute the most contentious issue of federal finance. Most federal governments are vested with powers to raise tax revenues, while states are responsible for undertaking a large part of the Public expenditure.</p> <p>In India, Centre - State financial relations relate to the distribution of power in resource mobilization between the centre and states as well as sharing of expenditure responsibilities. Most of the important and buoyant revenue sources are assigned to the Union government, while major expenditure responsibilities in the social and economic sectors are assigned to state governments. In fact, the architects of the Indian Constitution drew on the experience of some extent federalism, the assignment of taxes with the Union government, while major expenditure responsibilities in the social and economic sectors are assigned to state governments. In fact, the architects of the Indian Constitution drew on the experience of some extent federalism, the assignment of taxes with the Union government, while major expenditure responsibilities in the social and economic sectors are assigned to state governments. In fact, the architects of the Indian Constitution drew on the experience of some extent federalism, the assignment of taxes with the Union government, while major expenditure responsibilities in the social and economic sectors are assigned to state governments.</p> <p>The possibility of such conflicts was avoided by assigning such taxes right from the beginning to the Union government. While the State governments in India collect about only one - third of the total tax revenue accruing to the government sector, their expenditure obligations are disproportionately high, accounting for three - fourths of the aggregate social expenditure and more than one - half of the aggregate expenditure on economic services. To enable the states to carry out their expenditure responsibilities, the Finance Commission is assigned the task of recommending the transfer of resources from the Centre to states.</p> <p>The objective of fiscal transfers is to correct vertical and horizontal imbalances - the former referring to the simultaneous imbalance between means and responsibilities in two different tiers of governments because states bear expenditure responsibilities disproportionate to their sources of revenue, and the latter pertaining to differences in resources capabilities / uniformities between states.</p> <p>The purpose of the seminar is to:</p> <ol style="list-style-type: none"> <li>1) Know whether the contribution of centre transfer to the Tamil Nadu State government has increased or not.</li> <li>2) Know the financial status of Tamil Nadu (Bull or Bear) before and after the implementation of GST.</li> </ol> <p><b>Thrust Areas:</b></p> <ol style="list-style-type: none"> <li>1. Evolution of Centre - State Financial Relationship in India</li> <li>2. Role of Finance Commission in Centre - State Relationship in India</li> <li>3. Problems of Centre - State Relationship - horizontal and vertical imbalance in India</li> </ol> <p>Task before the 15<sup>th</sup> Finance Commission</p>	<p>5. GST and Centre - State Financial Relationship in India</p> <p>6. Centre - State Financial Relationship in Tamil Nadu</p> <p>For this purpose the Department of Economics and Research Centre, Aditanar College of Arts and Science and Golden Palm Petroleum Services Co. W.L.L., Kuwait are jointly organizing a one day National level seminar on “Centre - State Financial Relations in India with special reference to Tamil Nadu”. It is believed that this seminar will generate fruitful discussion and debate which will enrich the knowledge of participants on Centre - State Financial Relations in Tamil Nadu. The intellectuals can share their ideas in the seminar.</p> <p><b>Procedure of paper submission</b> Papers on the theme of the seminar are invited from faculty members, research scholars and students in Economics, Commerce, Management and other related disciplines.</p> <p>Paper should be original and published. Paper presentation must send an abstract of 250 words and the full paper must not exceed 3000 words. It should be typed in the font of Times New Roman and its size should be 12 with 1.5 line spacing. It should reach the Organising Secretary on or before 10.03.2020 by email or courier or post. Softcopy can be submitted in MS - Word document format to <a href="mailto:aditanareconomics1965@gmail.com">aditanareconomics1965@gmail.com</a></p> <p><b>Details of Registration Fee</b></p> <ul style="list-style-type: none"> <li>&gt; Rs. 100/- per Participant</li> <li>&gt; Tea &amp; Lunch will be provided</li> <li>&gt; No TA/DA will be provided</li> <li>&gt; Best Paper will be Awarded</li> </ul>
