REPORT

The topic of the Seminar:

Intellectual Property Rights & Patent Filing - "A Gateway to Preserve Your Ingenuity"

The Internal Quality Assurance Cell (IQAC) and the Entrepreneurial Development Cell joined hands to organize a seminar on "Intellectual Property Rights & Patent Filing: A Gateway to Preserve Your Ingenuity." The event aimed to shed light on the significance of intellectual property rights (IPR) and the process of patent filing, highlighting their importance in protecting innovative ideas and fostering a culture of entrepreneurship. The seminar was conducted on August 19, 2023, at the Indoor Auditorium, starting at 10 AM. Dr. J. Merrylin, Assistant Professor in the Department of Nutrition & Dietetics at Sadakathullah Appah College, Tirunelveli, was the distinguished resource person for the seminar.

The seminar commenced with 111 participants from the students' community and faculty members. Dr. Merrylin began the seminar by providing a comprehensive overview of the concept of intellectual property, including its types such as patents, copyrights, trademarks, and trade secrets. She emphasized the importance of safeguarding intellectual creations and innovations through legal mechanisms. Dr. Merrylin highlighted the various advantages of filing for patents, such as exclusivity, the ability to license or sell patented technology, and the encouragement of research and development. She illustrated these benefits with real-world examples of successful patent strategies.

A significant portion of the seminar was dedicated to explaining the step-by-step process of filing a patent application. Dr. Merrylin provided insights into drafting patent claims, preparing the patent specification, conducting prior art searches, and navigating through the patent office procedures. Attendees gained insights into best practices for maximizing the chances of patent approval.

The seminar featured with an interactive session where attendees had the opportunity to ask questions and seek clarifications on various aspects of intellectual property and patent filing. Dr. Merrylin responded to queries with precision, further enhancing the participants' understanding of the topic. This seminar successfully achieved its goal of educating participants about the importance of protecting intellectual property through patent filing.

ABOUT THE SCIENCE EXHIBITION

The main aim of this science exhibition-2023 is to develop scientific knowledge and temper to the school students to achieve their integrated development. This can be attained with the practical approach through education.

The current procedures for plastic waste management can be enhanced by creating an awareness from an elementary level with the co-operation of educational institutions and thereby establishing the units for city waste disposal at a larger scale. Also to follow the routes to manufacture biodegradable plastics in order to eliminate the waste management problems at the manufacturing level itself.

This science exhibition can provide a platform for the school students to enhance their knowledge in the field of science and technology and skills to nurture the growth of science for the benefit of society to a greater extent.

OBJECTIVES OF ADITANAR-SCI-EXPO-2023

- To support educational institutions to develop projects for plastic waste recycling.
- To encourage the students to adopt the most suitable procedures to tackle the plastic waste management problems through voluntary actions and regular practice.
- To stimulate the students to find out solutions for plastic pollution.

ON
STRATEGIES FOR PLASTIC WASTE MANAGEMENT
REPORT: ADITANAR-SCI-EXPO-2023

24 August 2023

The massive consumption of a wide range of plastic products has generated a huge amount of plastic waste in day to day life. In order to provide awareness of their routine management as a part of our lifestyle, the IQAC of Aditanar College of Arts and Science organised an Inter-School Science Exhibition “ADITANAR-SCI-EXPO-2023” on “Strategies for plastic waste management” on 24 August 2023 for IX, X, XI, XII students. The exhibition illustrated different methods that can be applied to treat plastic wastes so that the plastic life can be cyclic. The applications of these methods will save the lives of people, animals, and the environment by saving a lot of money by recycling raw-materials and reusing plastics.

The inaugural session began with an invocation to Goddess Tamil through Tamil Thai Vazhthu, followed by a warm welcome address by Dr. Jim Reeves Silent Night, Co-ordinator, IQAC, Aditanar College of Arts and Science, Tiruchendur. He welcomed the gathering and acknowledged his appreciation for the team of Professors for their involvement and team work in this event. This was followed by the Presidential address by our honourable Principal Dr. D.S. Mahendran. He enlightened how crucial it is to keep the environment safe which will help everyone in this ecosystem to live a safe and healthy life. It was followed by

a felicitation by our college Secretary, Dr. S. Jeyakumar. He highlighted on how as citizens of a society we have the responsibility to manage our plastic wastes sustainably.

Following the felicitation, the chief guest and the judges of the science exhibition were honoured by our Secretary and Principal. Chief guest Thirumathi. L. Regini, Chief Educational Officer, Thoothukudi, delivered the inaugural address. She guided the audience with her inspirational words and shared her knowledge on environmental cleanliness with the participants. There was also a short audio video presentation of India's Chandrayaan-3 landing on moon. Finally, the Convener Dr. K. Jacinth Mispa presented the vote of thanks.

Starting with the inauguration, followed by the exhibition of the models in the physics, chemistry, computer science, mathematics botany and zoology lab and ending with

the valediction, the event went whole day long. Inspired, encouraged and motivated by the teachers and the parents, the budding scientists of various schools displayed different models and experiments with great enthusiasm and excitement. 38 teams from 21 schools participated in the exhibition and various schools visited the exhibition making a total strength of around 860 students. The exhibition was followed by a sumptuous lunch and a Valedictory session.

The participating teams shared their creative ideas and solutions to everyday challenges through their innovative working and non-working models, exhibits, projects and presentations supported by reports, display and research findings. The ideas of recycling, waste-to-energy, and replacement with alternative materials were explained through various exhibits.

The exhibits were judged by three distinguished professionals namely Dr. T. Balu, Associate Professor and Head, Department of Physics, Aditanar College of Arts and Science, Tiruchendur, Dr. M. Jansirani, Assistant Professor, Department of Chemistry, Govindammal Aditanar College for women, Tiruchendur, and Dr. Uma, Assistant Professor, Dr.Sivanthi Aditanar College of Education, Tiruchendur. The judges appreciated and asked the exhibitors about the scientific concepts forming the foundation of the models. It was heart-warming to notice the enthusiasm and skill of the students clubbed with deep knowledge in explaining various strategies of plastic waste management.

The valedictory session started with a welcome address by Dr. I. Abdulkalam Azath, Organizing Secretary. Our Principal gave his concluding remarks by encouraging and appreciating the students and committee members for organising such a wonderful and enlightening exhibition. Thiru A. Gurnathan, the District Educational Officer, Thoothukudi presented the valedictory address. He awarded the winners with prizes and handed over the participation certificates to all the participants.

சங்க இலக்கிய மரபுகள்
(தேசியக்கருத்தரங்கம்)
நாள் : 16.02.2024

அறிவிப்பு

சங்க இலக்கிய மரபுகள்

(1965 ஆம் ஆண்டு கருத்தரங்கம் - 18.02.2024)

திருமுருகனின் படை வீடும் திருச்செந்தூரில் ஆதித்தனார் கலைய மன்றம் அறிவியல் பொதுப்பேரம் திருச்செந்தூரில் ஆதித்தனார் கலைய மன்றம் அறிவியல் கல்லூரி அமைந்துள்ளது. கல்லூரிகளை தர நிர்ணயம் செய்யும் தேசிய தர மதிப்பீடு குழு எம் கல்லூரிகளுடனான ஒன்றிணைப்பு கழற்சியிலும் ஏ தகுதி வழங்கியுள்ளது.

1965 ஆம் ஆண்டு மிகவும் பின்தங்கிய பகுதியில் பாமரர்களைப் பட்டாளிகளாக்கும் நோக்கில் உயிர் தமிழகம் உடல் மண்ணுக்கு என் வாய்ந்து வரவந்தது. திருமுருகன் தந்தது சி. பா. ஆதித்தனார் அவர்களால் இக்கல்லூரி நிறுவப்பட்டது. கல்வித் தந்தை புகழ் பாப் பா. சீவந்தி ஆதித்தனார் அவர்களால் வளர்க்கப்பட்டது. திருத்தந்தி அதிபர் சி. பாஸ்கப்பிரமணியன் ஆதித்தனார் அவர்களால் நிர்வகிக்கப்படுகிறது.

சமுதாயம், கல்வி, பொருளாதாரம், பண்பாடு முதலியவற்றில் வளர்ச்சியை ஏற்படுத்தி வரும் இக்கல்லூரியின் தமிழ்த் துறை பல்வேறு கருத்தரங்குகள், பயிற்சிப் பட்டறைகள், கலைவிழாக்கள், மாணவா திருள் வளர்க்கும் போட்டிகள் முதலியவற்றை நடத்துகிறது. அந்தவகையில் இக் கல்வியாளர்கள் சங்க இலக்கிய மரபுகள் என்னும் பொருளில் ஒருநாள் தேசியக் கருத்தரங்கத்தை நடத்துகிறது. பேராசிரியர்கள், ஆய்வாளர்கள், தமிழ் அறிஞர்கள், ஆர்வலர்கள், மாணவர்கள் இக் கருத்தரங்கில் பங்கேற்றுப் பயனடைபவராய் அன்புடன் அழைக்கிறோம்.

கருத்தரங்க நோக்கம்

சங்க இலக்கியங்கள் தமிழரின் செவ்விலக்கியங்களாக அறிப்படுபவை. அவற்றைப் பற்றி பேசுவதும், அழுதுவதும், தொடர்ந்து வந்தாலும் கூட அவற்றில் இருக்கும் தகவல்கள் தற்கால மாணவர்களுக்கும், ஆய்வாளர்களுக்கும் முழுமையாக வந்து சேர்வதில்லை. சங்ககால இலக்கியப்பதிவுகள் அக்கால மரபுகளையும் உள்ளடக்கி இருப்பதால் அவற்றைத் தெரிந்துகொள்ள வேண்டியதன் அவசியமும் அவர்களுக்கு உண்டு.

ஆகவே அவர்கள் பயன்பெறும் வகையில் சங்க இலக்கியப்பொருண்மையில் இக்கருத்தரங்கம் ஏற்பாடு செய்யப்பட்டுள்ளது.

இக்கருத்தரங்கம் இரு அமர்வுகளாக நடத்தப்படுகிறது. இரு அமர்வுகளிலும் இரு பேராசிரியர்கள் தங்கள் கருத்தினைப் பகிர்ந்துகொள்ள இருக்கிறார்கள். ஆய்வாளர்கள், பேராசிரியர்கள் இவ் அமர்வுகளில் பங்குபெற்றுக்கட்டுரைகளைப் படிக்க விரும்பினால்

கட்டுரை அல்லாத விருப்பமொன்று அனைத்திற்கும்

தமிழ் இலக்கியங்கள் அனைத்தும் ஆய்வு எல்லையாக ஆய்வு எல்லையாகிறது. கட்டுரை கருது நிமிடங்களுக்குள் வாசித்து கூறுவதாக இருத்தல் வேண்டும்.

கட்டுரை அல்லாத விருப்பமொன்று

18.02.2024 ஆம் நாளுக்குள் தகவல் தெரிவிக்க வேண்டும்.

தொடர்பு எண் : 9488455157

பங்கேடுவாளர் பதிவுக்கட்டணம் ரூ.100/-

கல்லூரியிலிருந்து எத்தனை மாணவர்கள் கருத்து கொள்கிறார்கள் என்பதை முதல்வர், துறைத்தலைவர் வாயிலாக தெரிவிக்கும்படி அன்போடு கேட்டுக்கொள்கிறோம்.

52. A National Conference on “Advanced Materials in Chemical Sciences” Organized by Department of PG Chemistry on 26.02.2024

The Institution and the Department

Aditanar College of Arts and Science was established in the Year 1965, by Si. Pa. Aditanar to provide quality education to the deprived and underprivileged section of the society. Thanks to the philanthropy of Thiru. Si. Pa. Aditanar M. A., Bar-at-Law, and his illustrious son founder President Padmashree Dr. B. Sivanthi Adityan and his extraordinary grandson Thiru. S. Balasubramanian Adityan. The college is affiliated to the Manonmaniam Sundaranar University, Tirunelveli and re-accredited by NAAC with an 'A' grade in the third cycle of reaccreditation.

The college offers twelve Under Graduate programmes and five PG programmes (Economics, English, Mathematics, Chemistry and Zoology). The research centre in Maths, Economics, English, Chemistry and Zoology offer Ph.D. programme. To enrich the literacy and cultural talents of the students, various literacy and cultural clubs are functioning in our college. Several major and minor research projects sponsored by UGC, DST and TNSCST have been taken by our staff members. The “Sivanthi Community Radio” (90.4 MHz) approved by the Ministry of information and Broadcasting, Government of India, New Delhi broadcasts from our college.

The PG Department of Chemistry was established in the year 2003 with M.Sc. Chemistry Programme. Subsequently M.Phil. Chemistry was started in 2007. The department has Analytical Laboratory for M.Sc. Chemistry with all fundamental requirements. II M.Sc. Chemistry students

are doing academic project in the thrust areas like Nanotechnology, Green Chemistry, Organic chemistry, Medicinal chemistry, Electrochemistry and Environmental Chemistry.

Aim of the Conference

This conference mainly focuses on importance of magnetic materials and their applications in anti-counterfeiting and also in the field of smart material devices, sensor applications and photocatalytic process etc. Hence, the conference will motivate the young researchers for higher learning and thirst for innovative research in the area of

- Material chemistry
- Environmental chemistry
- Nano Sensors
- Photochemistry

Registration and Submission of Abstracts

Spot registration is allowed. Registration fee includes cost of conference kit, lunch and refreshments. No TA/DA will be provided. We have planned to bring out the abstracts in the conference proceedings. The participants are invited to submit their abstracts of research work for poster and oral presentation of about one page (1.5 line spacing and 12 font size in Times New Roman). It should contain title, name and address of the authors (presenting author should be underlined). All abstracts should be submitted through email (aditanarpgchemistry@gmail.com) as an attachment file on or before 18/02/2024.

About the Seminar

There is no single absolute profile on who can turn out to be an entrepreneur. Successful entrepreneurs arise from different gender, race, ages, and income levels. They differ in experience and education. According to research, most successful entrepreneurs have certain personal attributes in common. They include determination, leadership, flexibility, creativity, self-confidence, passion, and 'smarts'. Possessing these personal attributes is just a start, executing them properly and to maximum is what we expect from an entrepreneur. Though, you must have a vision and execute it consequently. According to Thomas A. Edison, "Vision without execution is hallucination." To become a successful entrepreneur, show more content. Always see yourself succeeding. Being successful is your main objective. You don't think about success then your dream might fade before you achieve it. Thinking success will keep your mind focused on what you want to be hence, it is a vital feature for any entrepreneur to have for them to realize success. This seminar will provide a platform to discuss on entrepreneurial mindset, cultivating a growth mindset, entrepreneurial leadership building and leading a successful business.
