

ABOUT THE INSTITUTION

Aditanar College of Arts and Science was established in the year 1965 by Si. Pa. Aditanar. The College is located in Virapandianpatnam, a Village of Tiruchedur Taluk, Thoothukudi District, Tamil Nadu on the East Coast and is situated at 40 KM South of Tuticorin and 90 KM North of Kanniyakumhari. The College is affiliated to Manonmaniam Sundaranar University Tirunelveli. The College is Re-accredited in the fourth cycle with 'A' Grade by NAAC. The college offers Twelve U.G. programmes including Business Administration and Computer Science. Post-graduate programmes in Mathematics, English, Economics, Chemistry, Zoology, M.Phil and Ph.D., Programmes in English, Economics, Chemistry, Mathematics and Zoology are offered. UGC-Sponsored add-on courses are offered in soil science, Medical Botany and Sericulture. The college maintains high academic standards and provides quality education. The college has taken up several UGC, DST and Tamil Nadu State Council for Science and Technology (TNSCT) sponsored research projects.

The Department of Computer Science offers B.Sc., (Computer Science), for the past 35 years. The faculty is well experienced and research oriented. The department conducted number of training programmes for Panchayat Presidents and Government Employees. The department also conducted a few Seminars, Workshops and Computer Technical Competitions.

VISION AND MISSION

VISION

The vision of the college is "Social change through economic progress and economic progress through educating the youth of the rural area".

MISSION

The mission of the college is to provide quality higher education aimed at enhancing the required knowledge and skills and instilling the desired values in the minds of students enabling them to be enterprising and becoming worthy citizen of our country.

AIMS AND OBJECTIVES

- The objective of this event is to test the skills of students in the field of computer science.
- To provide students with an atmosphere of creativity and group participation so that their latent potentialities and talent find an outlet in joyous and fruitful ways.
- To motivate students to spend time in meaningful activity and to be a creator of the digital world instead of a consumer.
- To organize competitions to evaluate the knowledge of the participants within academics as well as beyond academics and to make them familiar of competitive aspects.
