About the Institution

Aditanar College of Arts and Science is the outcome of the vision and initiative of TAMILAR THANTHAI SI. PA. ADITANAR to provide quality education to the deprived and underprivileged section of the society. It was established in the year 1965 and is affiliated to Manonmaniam Sundaranar University, Tirunelveli. Under the proficient guidance and untiring efforts of our respected Founder President, Padmashri Dr.B.Sivanthi Adityan, and his son President Thiru. S. Balasubramanian Adityan, the college has achieved great heights in the field of Academics, Sports and other Extra-Curricular Activities. Our college offers 12 U.G. courses, 5 P.G. courses and 5 Ph.D. programmes in Economics, English, Chemistry, Zoology and Maths. UGC sponsored add-on courses are offered in Soil Science & Agricultural Chemistry. The college was Re-accredited with 'A' Grade in the fourth cycle by NAAC.

About the Science Exhibition

The ADITANAR-SCIENCE-EXPO 2025 is a great platform for the students to use their scientific knowledge and bring the best invention from their brains. It is designed to inspire creativity, raise environmental awareness, and foster innovative ideas aimed at addressing environmental challenges. The aim of this Science Exhibition is to explore novel approaches and technologies that promote environmental sustainability. Also it seeks to educate the attendees on ecological issues such as pollution, climate change, and biodiversity loss. Further the Exhibition motivates participants to think critically and develop practical solutions for a greener, more sustainable future. In addition, it cultivates curiosity and interest in science among students and the community. Moreover it promotes critical thinking and problem-solving skills through hands-on learning.

Objectives of ADITANAR-SCI-EXPO-2025:

- To promote Environmental Awareness.
- To encourage Innovation.
- To foster Scientific Temperament.
- To collaborate and Share Knowledge.
- To highlight Practical Applications.
- To inspire Social Responsibility.
- To motivate individuals to adopt eco-friendly practices in daily life.
- To felicitate the potential of young minds to shape a better future.

Important Instructions

- VII, VIII, IX Standard Students are eligible to participate.
- A maximum of two students in each team. From each School a maximum of two teams can participate.
- Three excellent prizes will be given to projects with innovative ideas and good presentation.
- Certificates will be issued to all the participants.
- Refreshment and lunch will be provided for the participants and accompanying staff.
